While in the media center students may study or work on research projects. Computers are available for students to use to do research or compile projects and reports. Fines and restrictions may be assigned to those students who fail to comply with necessary library policies.

## TECHNOLOGY USE AGREEMENT

Technology is available in many forms to assist students in the learning process. Use of the computer and on-line technology is governed by a Technology Use Agreement signed by student and parent (see pages 28-32). ## ATTENDANCE

### DAILY ABSENCES

A parent or guardian may call the high school attendance office at **440-233-6313 (option 2)** to inform the school of a student's absence prior to 7:30 a.m. of the missed day. Our automated phone system will generate a phone call to the parent/guardian of any student who was tardy or absent. **Calling does not excuse an absence and you still may receive a phone call**

Absences are accumulated in minutes. This includes partial days, full days, tardies, and early dismissals. **Habitual unexcused** absences are calculated as follows:

- **30 consecutive hours (5 days), or**
- **42 hours in a school month,**
- **72 hours in a school year**

The State of Ohio requires that a child between the ages of 6 and 18 attend school. It is the responsibility of the parents and the student to comply with this law. The school administration is the determining agent for excused absences. A child may be excused 7 days per school year provided the parent submits a written note to verify each day absent as excused (as per the list below). A note must be submitted within 2 days of child returning to school. This note must state the date/dates absent and the reason for the absence. The note must be presented to the homeroom teacher or office. If the student does not bring a note, that student will be considered truant and is subject to attendance intervention strategies. Students who do not have a written note from home or students whose absence does not fall into one of the 8 categories of legal absences (listed below) will receive an unexcused absence.

- |   |  |
|---|--|
| 1. Personal Illness                     | 5. Funeral   |
| 2. Medical, dental or legal appointment | 6. Religious Holiday   |
| 3. Pre-arranged Absence                 | 7. Emergency or circumstance that constitutes sufficient reason for missing school |
| 4. Campus Visit                         | 8. Administrative Discretion   |

**Any absence beyond 7 days must be verified by a doctor's note, hospital, funeral card/letter or court documentation to be excused and could result in an attendance referral.**

An intervention plan may be developed depending on which of the following categories the absence is classified:

**Habitual Truant – *Unexcused absences of more than 30 consecutive hours, and/or more than 42 hours in one school month, and/or more than 72 hours in once school year, and the student will be referred to the Lorain County Court's Alternative to Adjudication Attendance Program.***

**Excused** - Evidence is provided verifying for school personnel that the absence fell into one of the 8 categories of legal absences. Students in this category, within a reasonable length of time, may make up all missed work.

**Unexcused** - Although the absence does not fall within the 8 categories defined as legal, it took place with the prior, full knowledge, and consent of the parent.

## ATTENDANCE (continued)

**Tuant** - The absence does not fall within the 8 categories and took place without consent of the parent. No makeup work is permitted and the student is subject to disciplinary action.

**Homework** – Homework may be requested if your student is out **two (2)** or more consecutive days. Please call the attendance line **440-233-6313 (option 2)** to request homework.

### TARDINESS TO SCHOOL

Students are expected to enter the building immediately upon arrival. All students are expected to be in school and to their 1st period class on time. Students who report to school after 7:30 am, (first period) will be considered **TARDY** and need to report to the office where they will sign in, and be given a pass to class.

Any student signing out of school after the start of the school day will be considered an “early dismissal.” All minutes from tardies and early dismissals will be included in the attendance totals. The tardies and early dismissals will be considered “unexcused,” unless accompanied by a note (per the list below). ***Tardiness to school and/or early dismissal may result in the development of an attendance intervention plan.***

### ILLNESS DURING SCHOOL

Students who become ill or are injured during the school day must obtain a clinic pass from their teacher prior to reporting to the clinic in the High School Office. Students are discouraged from texting/calling their parents prior to seeing the school nurse or secretary. If there is a necessity to leave school the office will contact the parent. Parent/Guardian or other person designated by them must pick up the student in the High School Office, or give permission for them to go home on their own. No student will be sent home without Parent/Guardian notification. School personnel may not issue any medication of any kind unless requested to do so in writing by the attending physician and parent. Any medications brought to school must be left in the high school office. ***Students who are found to have any medications in their locker or on their person are subject to disciplinary action.***

### PARTICIPATING IN ATHLETICS

Students who are absent, report to school after 10:00 am, or sign out for early dismissal (unless excused), will be ineligible to participate in athletic or co-curricular activities on that day.

### SCHOOL ACTIVITIES/EXTRA CURRICULAR

Students who are absent for any reason, report to school after 10:00 am, or sign out for early dismissal (unless excused), will not attend or participate in that event or activity (i.e. school dances, drama club practice, student council, etc.)

### EARLY DISMISSAL

Once a student arrives at school he/she may not leave until the 2:40 p.m. dismissal unless he/she is signed out by a parent/guardian in the High School Office, or other arrangements have been made. All early dismissals must be approved and/or verified either by a phone call from the parent or by the scheduled appointment.

## **ATTENDANCE (continued)**

### **PREARRANGED ABSENCE**

When a student must be absent from school because of a family trip, college visitation, religious activity, or some other requirement, a leave of absence/vacation form must be filled out and turned into Attendance one (1) week prior to the absence. Forms are available in the High School Office.

### **EXTENDED ABSENCE**

If a student will be absent from school for an extended period of time because of illness or injury the school should be notified so that arrangements can be made for some form of home instruction, if allowable.

### **ATTENDANCE INTERVENTION PLAN**

Once a student reaches threshold for habitual truant, school will assign student to the absence intervention team within 7 school days. The intervention team will consist of at minimum, a representative from the student's school district, a representative from the student's district who knows the child, the child's parent (or parent's designee) or the student's guardian, custodian, guardian ad litem, or temporary custodian, and the Lorain County Attendance Officer. The team may also include the school psychologist, counselor, social worker, or a representative of a public or nonprofit agency designed to assist students and families in reducing absences.

The intervention plan will be developed by the team within 14 days. The plan will address student's specific needs based on an attendance screening tool. The plan may include but not limited to referral for counseling services before, after, and weekend school sessions, parent involvement programs, notification to the Department of Motor Vehicles, truancy prevention programs, referral to Children's Service for Educational Neglect, or referral to the court system for adjudication. Required meetings will be held by the team to document student's progress on the plan.

If a student refuses to participate or fails to make satisfactory progress on the plan as determined by the absence intervention team, the Lorain County Attendance Officer will file a sworn Complaint in the Juvenile Court not later than the 61<sup>st</sup> day of the intervention plan.

### **18 YEARS OLD**

Students who have reached their 18th birthday are legally adults in our society. As such, they are expected to act in a mature and responsible fashion. Chronic irregular attendance or problems with discipline may result in the student being withdrawn from school. The school also reserves the right to notify the parents of an adult student whenever the administration believes that the parent contact would be in the best interest of the student's educational performance and conduct at CHS. Students who are 18 years old may **NOT** sign themselves out without parent permission or permission of an administrator.

### **WITHDRAWALS**

Students may not voluntarily withdraw from school until the age of 18 years. All school books and materials must be returned and all debts must be paid before the withdrawal is made official.

## ATTENDANCE (continued)

### SENIOR RELEASE PROGRAM

Clearview High School's Senior Release Program is given to seniors to help them develop responsibility for their unassigned periods and to allow them to leave the school for these designated periods. This privilege must be earned in the last grading period of their junior year and may be lost if the student fails to keep a 2.0 G.P.A. after each quarter or follow the school rules and these Senior Release guidelines. **Students that have received quarterly senior release privileges will be reviewed at minimum every four (4) weeks to determine if they still qualify. If found to be failing a content class needed for graduation, your senior release will be taken away until passing at next check.**

1. Senior release will not be given unless the parents and student sign this form. It will be kept on file in the Main office. Students must be taking **five courses** each quarter to qualify for this program, be a good citizen of the school community and earn a **2.0** grade point average from the preceding quarter.
2. Seniors must be in school or accounted for the official six-hour day. They may only leave during the period of their contract and if found leaving at any other times without school authorization, may face disciplinary action and loss of privileges for the remainder of the school year.
3. Students who have not earned 16 credits are not eligible for Senior Release. Students not passing a class that is required for graduation will not be eligible for Senior Release.
4. Violations of the Student Code of Conduct could result in students losing their Senior Release privileges.
5. *Students who have excessive absences or tardies to school are not eligible for Senior Release.*
6. Students that decide not to leave the building for Senior Release must report to Study Hall.

### JUNIOR RELEASE PROGRAM

This opportunity is given to juniors as an incentive for outstanding academic achievement and a strong sense of school community. This privilege must be earned in the last grading period of their sophomore year and may be lost if the student fails to keep a 3.1 GPA after each quarter or follow the school rules and the junior release guidelines. **Students that have received these privileges will be reviewed at minimum, every four (4) weeks to determine if they still qualify.** The building principal holds final authority over who is eligible. **If found to be failing a content class needed for graduation, your junior release will be taken away until passing at next check.**

In addition to all applicable junior guidelines, the following will also be used to determine if a junior is eligible:

1. Juniors who have not earned 12 credits are not eligible.
2. Juniors who have received OSS will not be eligible for release for up to 10 weeks.
3. Juniors must be taking at least 6 courses each quarter to be eligible.

Participation in the junior and senior release program is voluntary. Although students must follow both school rules and the junior and senior release program rules and regulations of this program, Clearview Local Schools will carry no liability for accident, injury, or a student's actions while a student is out of school on the junior and senior release program. Junior and senior release **will not** be granted if a student is failing a course needed.

## **STATE GRADUATION PATHWAYS**

There is no “one size fits all” way to graduate. Ohio gives you several ways to qualify for a high school diploma. Choose the way that works best for you!

To earn a high school diploma in Ohio, you must complete CHS curriculum requirements **and then choose a pathway** to show that you are ready for college or a job. Your school counselor will give you more details about your options.

### **Meet one of the following pathways ...**

#### **Pathway 1:** Classes of 2021 and 2022

Satisfy **ONE** of the three original pathways to graduation that were in place when you entered high school. The pathways include:

1. **Ohio State Tests** – Earn at least 18 points on seven “end of course” state tests. Each test score earns you up to five graduation points. You must have a minimum of four points in math, four points in English and six points across science and social studies.
2. **Industry credential and workforce readiness** – Earn a minimum of 12 points by receiving a State Board of Education – approved, industry-recognized credential or group of credentials in a single career field and earn the required score on WorkKeys, a work-readiness test. The State of Ohio will pay one time for you to take the WorkKeys test.
3. **College and career readiness tests** – Earn remediation-free scores in mathematics and English language arts on either the ACT or SAT.

#### **ACT Remediation-Free Scores**

2. **Demonstrating Readiness** – Students will demonstrate readiness for their post-high school paths by earning two seals, one of which must be state-defined (see below) that allow them to demonstrate important foundational and well-rounded academic and technical knowledge, professional skills, as well as developing key social and emotional competencies and leadership and reasoning skills.

## State Defined Diploma Seals

Ohio law created 12 seals for students to demonstrate academic, technical and professional readiness for careers, college, the military or self-sustaining professions. Each seal allows students to demonstrate knowledge and skills essential for future success. Students will demonstrate readiness by earning at least two diploma seals, one of which must be state defined. Seals help students develop an array of critical skills that are valuable to them as they transition to the next steps after high school.

## CURRICULUM (continued)

### GRADING

Classroom grades are computed on the following percentage scale:

**A = 100 - 90**                      **B = 89 - 80**                      **C = 79 - 70**  
**D = 69 - 60**                      **F = 59 or below**

To earn credit in a yearly course a student must receive a 60% in the yearly “report card” grade. Grades are computed as an average of four nine-week marking periods and two semester exams. An exam grade will be worth 1/2 of a nine weeks grade. Grade reports are issued to students each nine weeks. All incomplete grades automatically become “F” grades 10 days after the end of the marking period unless special arrangements are made with the teacher. Final grades for all subjects are computed as follows:

**A=3.51-4.0**      **B=2.51-3.5**      **C=1.51-2.5**      **D=0.67-1.5**

To earn credit in a semester course a student must receive at least a 60% in the semester “report card” grades. The official grade point average is calculated on the final mark obtained in each course. Grade point averages calculated during the year for the purposes of honors and awards are unofficial and subject to change based on the final mark earned.

### ACADEMIC HONORS

At the conclusion of each marking period, an academic honors list will be prepared to recognize outstanding scholarship.

**4.0 average – Excellence**                      **3.5 average – Honors**                      **3.0 average – Merit**

### PROGRESS REPORTS

During the fifth week of each marking period, interim reports will be issued for all students. Parents may receive Interim Progress Reports at scheduled Parent/Teacher Conferences if requested. Students’ grades are available on Power School throughout the year. *See the website for directions on how to create a parent account. Click on the “parent” tab and then the link “Power School link for parents.” We highly encourage parents to actively monitor their child/children’s academic progress throughout the year.*

### ACADEMIC DISHONESTY

The student handbook defines plagiarism as the use of another person’s original ideas or writing as one’s own without giving the other person credit. Examples of plagiarism include discussing and/or copying answers to homework assignments with other persons, copying or paraphrasing information found on the internet or in another reference source without citing the information as coming from a secondary source, and copying or paraphrasing research papers. Students guilty of plagiarism are subject to a zero and disciplinary action.

### PE WAIVER

In order to be eligible for the PE Waiver, students must complete two (2) full seasons of Marching Band, Cheerleading, or High School Athletics. Students should pick up the “PE Waiver Form” in the Guidance Office. Students must get all signatures listed on the “PE Waiver Form” and submit this form to the appropriate Guidance Counselor when completed. Incomplete forms will not be accepted. Students must submit the PE waiver Form **PRIOR** to the senior year. If a student has not completed the ½ credit PE requirement or has not turned in the waiver forms by his/her senior year, he/she will be scheduled into PE classes. Students **DO NOT** get credit for the PE classes that are waived. They simply met the requirements dictated by the State of Ohio for PE. Students are required to take an elective to replace the credit previously earned by PE to ensure that the student earns the 21 credits needed to graduate.

### **CREDIT RECOVERY (Online Credit Recovery Policy)**

During the school year, freshmen are unable to take any classes online. Freshmen who fail any classes will be asked to take summer school for remediation or enroll in CBI their sophomore year.

Only sophomores enrolled in the CBI (Career Based Intervention) Program are able to recover credits online during the school year. *Sophomores who fail any classes will be asked to take summer school for remediation. Sophomores who are not in CBI may be considered for credit recovery during their school year on a “case-by-case” basis.*

Juniors and seniors in CBI (Career Based Intervention) are permitted to recover credits online on an as needed basis in order to graduate on time. Other juniors and seniors are permitted to recover online credits after school hours or during study halls.

***At the discretion of the Principal, any student who is at risk of not graduating in four years or who is 18 years of age may be eligible for our recovery online program and/or the Clearview Academy.***

### **CREDIT FLEXIBILITY**

Clearview High School students should thoroughly read the information below. It is important that the information is understood and followed throughout the credit flexibility offering.

A credit flex opportunity at Clearview High School is a student owned learning opportunity that:

- Provides more choice and independence in deciding how, when and where students learn.
- Provides more options for individually suited pathways to post-secondary and career goals.
- Provides acceleration and convenience including more options for courses in the school schedule (especially for fitting in electives).
- Provides better preparation for the world beyond secondary education, including college.

Students will have increased independence with greater individual responsibility for gaining credit. Students may earn credits through any of the following or a combination thereof:

- Completion of courses
- Testing out or otherwise demonstrating mastery of the course content; or
- Pursuit of one or more “educational options” e.g., educational travel, project, music, arts, after school program, community service project, and sports).

Issuance of credit will be determined locally, by teachers or through the use of:

- A multi-disciplinary team; or
- A state or district performance-based assessment.

Courses and educational options may be counted as one-half credit (.5) or one (1.0 credit and/or credit in more than one area, such as multiple academic areas or academic and career-technical credit, if mastery is demonstrated. All grades will be awarded as letter grades using the same grading scale utilized in regular CHS classes.

## CURRICULUM (continued)

- **Application and Deadlines:** Applications are available in the CHS Guidance Office. Students wishing to take advantage of the Credit Flexibility Opportunity must submit a complete application by April 15 (deadline for fall semester) or November 1 (deadline for spring semester). Any applications submitted after those deadlines are subject to denial.
- **Review of Application:** The application will be reviewed by an Application Review Committee to be established by the Principal. Upon approval of the completed application, the student will proceed with the learning activity as approved. Credit will be awarded once the activity is completed. Appeal may be made to the Principal or Designee should a student's proposed alternative learning credit be denied.
- **Program Integrity:** In order to ensure the integrity of the learning experience approved under this program, the student will be required periodically and/or upon demand to provide evidence of progress and attendance. The principal or his/her designee will be responsible for certifying course completion and the award of credits consistent with the District's policies on graduation.
- **OHSAA/NCAA Considerations:** Students wishing to participate in high school athletics must be aware that Credit Flexibility learning experiences will be factored into their eligibility considerations. Seniors wishing to pursue Division I or Division II NCAA athletics eligibility are responsible for ensuring that they will meet the appropriate requirements.
- **Retroactive Credit:** Students will not be allowed to retroactively receive credit for non-college courses or experiences taken prior to the submission of an application. Therefore, all courses taken or credit gained (from an online program, summer program, college course, etc.) prior to the approval of the committee will be granted for students. Previously taken college level courses may be considered for elective credit.
- **Access:** Any student may apply for credit to be awarded through Credit Flexibility. This policy does not in any way prohibit access to online education, postsecondary options or services from another provider approved by the board.
- **Expenses:** Additional expenses associated with student proposed activities, transportation, materials, and assessments for credit flexibility will be the sole responsibility of the student and his/her parents(s).

### ATHLETIC ELIGIBILITY

This requirement must be met at the end of each grading period (9 weeks) for the student to remain eligible for the following grading period. ***In addition, all High School athletes are required to have a minimum of 1.5 GPA.***

### ADDING AND DROPPING SUBJECTS

**First two weeks of course:** Elective courses may be dropped with written permission from parent/guardian (on a "case-by-case" basis). There will be no drops the first 3 days of the semester. Counselors will advise students who wish to drop a class while making sure graduation requirements are being met and study halls are minimized. There is a \$5.00 penalty fee for courses dropped due to student request. Six credits must be maintained unless granted administrative approval.

**3rd week through the 9th week:** A parent conference is required. Teacher and administrative permission is required. There is a \$5.00 penalty fee for courses dropped due to student request.

**9th week through the 18th week:** *Administrative approval only.*

## CURRICULUM (continued)

### ADDING AND DROPPING SUBJECTS (continued)

**At semester change:** A student may drop a course with permission of the parent, guidance counselor and principal, provided an alternative semester course is added to the student's schedule. The drop/add procedure also applies to all second semester .25 and .5 credit courses. Prorated credit and the appropriate G.P.A. will be posted to the transcript file. Transfer in or out of all "A" and "Pre AP" level courses are not considered drop/add transactions. *The Principal retains the final decision in all changes.*

### STUDENT PUBLICATIONS

Official student publications such as the school newspaper, class newsletters, etc. are a part of the school curriculum and, as such, editorial control remains with school authorities.

## ALTERNATIVE CURRICULUM

### CLEARVIEW ACADEMY

Clearview Academy provides a student a way to graduate from high school using a non-traditional path. Students assigned to Clearview Academy must adhere to the guidelines set forth in the student handbook. This includes but is not limited to the following: student responsibilities, attendance, curriculum, student discipline and the technology Acceptable Use Policy. In addition, each student and their guardian must agree to the procedural requirements stipulated by the program and then sign the consent form. Final authority of student placement into Clearview Academy resides with the High School Administrators. No electronic devices (phone, IPod, etc.) food or drink will be permitted in the Academy classrooms. Students are required to follow school dress code.

### COLLEGE CREDIT

Lorain County Community College offers a program that permits high school students to take advanced courses not available in their home school. High school and/or college credit will be granted for satisfactory completion of such courses. High school students with outstanding academic records are eligible to participate upon written recommendation of their principal. Interested students should contact their guidance counselor.

### FIELD TRIPS

There are two types of field trips: **Academic** and **Nonacademic**. Academic field trips are extensions of classroom activities that are directly related to course work being studied. Nonacademic field trips are often supplementary and NOT directly related to course content (e.g. a special activity for good behavior). Students must complete a Field Trip Permission Form to attend any activity off school grounds. **No student may participate in a non-academic field trip that has a failing grade in any class without that teacher's permission.**

### JOINT VOCATIONAL SCHOOL

The Lorain County Joint Vocational School in Oberlin offers a wide variety of pre-employment programs. Students who are planning to seek employment immediately following graduation would do well to consider entering this program in their junior year. Students enrolled at J.V.S. are eligible to participate in all Clearview extracurricular activities. Interested students should contact their guidance counselor.

## STUDENT DISCIPLINE

One of the most important goals of the educational program at Clearview is to assist each student in developing a feeling of responsibility toward his/her school and, in turn, encourage behavior centered on self-discipline. When this self-discipline breaks down, it is the school's duty to emphasize to the student that, as is true of the adult world, each individual is held responsible for his/her own actions. The school has the authority to use one or any combination of the following disciplinary measures to improve student behavior.

1. Conferences involving any or all personnel affected.
2. Referral to counselor, psychologist, or community service agency.
3. Activity constructed to develop a positive awareness or responsibility in the student.
4. **Behavioral Probation:** During this probation period, the student is assigned specific guidelines involving attendance, behavior, extracurricular participation, and use of school privileges that must be adhered to. Failure to comply may result in suspension.
5. **Detentions (teacher issued):** The student is given one day's notice to begin serving detentions. These must be served consecutively unless permission is granted by the individual assigning them.
6. **Emergency Removal:**
  - a. **Activity:** Students may not participate in the class/ activity named for a prescribed period of time. Credit for any classes missed will be decided by the administration.
  - b. **Class:** Students are to report to an assigned area in place of a particular class.
7. **After School Detention Assignment:** Students are to report to an assigned area. Detentions may be held Monday - Thursday from 2:50-3:40 p.m. Students must provide their own transportation home from detention. No notification will be sent to parents.
8. **Out-of-School Suspension:** Students are to remain in their home during school hours and are not permitted to be on school property or attend school activities during the suspension. Students may make up their work one time per their high school career for 50% of the credit. \*This is a change to the OSS make up policy. All students will start at zero on the 1<sup>st</sup> day of the 2015-16 schoolyear. OSS notification will be mailed home to the parent and/or guardian.
9. **Court Referral:** With the court's cooperation, charges of Unruly can be filed by the school for behavior issues.

## **STUDENT DISCIPLINE (continued)**

### **HAZING AND BULLYING (Harassment, Intimidation and Dating Violence) File: JFCF**

Hazing means doing any act or coercing another, including the victim, to do any act of intimidation or harassment to any student or other organization that causes or creates a substantial risk of causing mental or physical harm to any person.

Throughout this policy the term bullying is used in place of harassment, intimidation and bullying.

Bullying, harassment and intimidation is an intentional written, verbal, electronic or physical act that a student has exhibited toward another particular student more than once. The intentional act also includes violence within a dating relationship. The behavior causes both mental and physical harm to the other student and is sufficiently severe, persistent or pervasive that it creates an intimidating, threatening or abusive educational environment for the other student. This behavior is prohibited on school property or at a school-sponsored activity. Students found responsible for harassment, intimidation or bullying by an electronic act may be suspended.

Permission, consent or assumption of risk by an individual subjected to hazing, bullying and/or dating violence does not lessen the prohibition contained in this policy.

The District includes, within the health curriculum, age-appropriate instruction in dating violence prevention education in grades 7 to 12. This instruction includes recognizing warning signs of dating violence and characteristics of healthy relationships.

Prohibited activities of any type, including those activities engaged in via computer and/or electronic communications devices or electronic means, are inconsistent with the educational process and are prohibited at all times. The District educates minors about appropriate online behavior, including interacting with other individuals on social networking websites and in chat rooms and cyberbullying awareness and response.

No administrator, teacher or other employee of the District shall encourage, permit, condone or tolerate any hazing and/or bullying activities. No students, including leaders of student organizations, are permitted to plan, encourage or engage in any hazing and/or bullying.

Administrators, teachers and all other District employees are particularly alert to possible conditions, circumstances or events that might include hazing, bullying and/or dating violence. If any of the prohibited behaviors are planned or discovered, involved students are informed by the discovering District employee of the prohibition contained in this policy and are required to end all such activities immediately. All hazing and/or bullying incidents are reported immediately to the Superintendent/designee and the appropriate discipline is administered. The Superintendent/designee must provide the Board President with a semi-annual written summary of all reported incidents and post the summary on the District's website, to the extent permitted by law.

The administration provides training on the District's hazing and bullying policy to District employees and volunteers who have direct contact with students. Additional training is provided to elementary employees in violence and substance abuse prevention and positive youth development.

District employees, students and volunteers are provided with qualified civil immunity for damages arising from reporting an incident or hazing and/or bullying. Administrators, teachers, other employees and students who fail to abide by this policy may be subject to disciplinary action and may be liable for civil and criminal penalties in compliance with State law.

## **STUDENT DISCIPLINE (continued)**

No one shall retaliate against an employee or student because he/she files a grievance or assists or participates in an investigation, proceeding or hearing regarding the charge of hazing and/or bullying of an individual.

The Children's Internet Protection Act added a requirement that effective July 1, 2012 all school districts participating in the e-rate program must include language in their Internet safety policy regarding the education of minors concerning appropriate online behavior, including interacting with other individuals on social networking websites and in chat rooms and cyberbullying awareness and response and to develop an educational plan to implement the program.

HB 116 (The Jessica Logan Act), signed by the Governor on February 2, 2012, requires districts to update Hazing and Bullying policies to include several new requirements by November 2012. The majority of language changes appear in Ohio Revised Code section 3313.666.

Harassment, bullying and intimidation are prohibited. This policy also extends to school property, school transportation, at school sponsored events, or, if the harassment, bullying and intimidation materially or substantially disrupts the educational environment and discipline of the school. An "Electronic Act" means an act committed through the use of a cellular telephone, computer, pager, personal communication device, or other electronic means used to harass, bully or intimidate. In addition, the use of an "Electronic Act" used to defame another can result in civil liabilities for damages.

### **GUIDELINES FOR BUS STUDENTS**

The following guidelines have been developed to insure the safety and well-being of all students. Failure to comply with stated rules may result in the loss of bus privileges.

1. Enter and exit the bus in an orderly manner.
2. Totally comply with all requests made by the bus driver. Bus driver may assign seats.
3. While on the bus, students must:
  - a. obey all drivers' instructions at all times.
  - b. keep all body parts and objects to themselves and inside the bus at all times.
  - c. not eat, drink, smoke, or have sharp objects or animals on the bus.
  - d. remain properly seated and keep aisles cleared at all times.
  - e. not curse, swear, tease, call names, or talk loudly or fight on the bus.

### **STUDENT SPORTS FAN CONDUCT**

At all school athletic contests, Clearview students are a reflection of the school and community. As such, students are expected to conduct themselves with the ethics of good sportsmanship as a top priority.

At all home contests, students are required to sit in the bleachers designated as the home side. At all away contests, students are required to sit in the bleacher area designated for the visiting school. Only the official and designated Clearview cheerleading squads will be permitted on the floor, field, or track area. All others must remain in the designated seating area.

### **EXTRACURRICULAR CODE OF CONDUCT**

Participation in the Clearview Local School's extracurricular activities is both an honor and a privilege. Students who choose to belong to any team or group have made themselves subject to additional responsibilities, not only to themselves, but also to their teams, groups and school. In order to gain the right to participate in any extracurricular activity, a student must understand and abide by all sections of the CHS student handbook. The student's intent to abide by this shall be evidenced in an agreement, which shall correspond with the signing of the final page of the Handbook by the student and the student's parent/guardian. This policy operates in conjunction with the Student Code of Conduct, so that, (A) these provisions are part of that code, and (B) all students participating in extracurricular activities are subject to all provisions.

**CLEARVIEW SCHOOL DISTRICT**  
**STUDENT ATHLETE CONTRACT 2020-2021**

As a member of the Clearview Local Schools Athletic Program, I will adhere to the following guidelines throughout the designated Ohio High School Athletic Association sport season:

1. I had someone represent me at the Preseason Parent Meeting or view the OHSAA Preseason Meeting the Clearview website ([clearviewathletics.org](http://clearviewathletics.org)). Any questions or concerns regarding the information were directed to the Athletic Director or Head Coach.
2. It is my obligation to maintain proper physical conditioning specific to the respective sport that I am participating in.
3. I understand that if I choose to participate in multiple sports, extracurricular activities, clubs, etc. then they must not interfere with practices and/or games. If these activities could potentially conflict then my participation must be cleared by the head coach prior to the start of the season. I also understand that these conflicts could affect my role as a member of the team.
4. I understand that I am expected to ride to and from all games on the bus with the team. Any conflicts in doing so should be cleared with the head coach prior to the day of the game unless there is an emergency. I also understand that even in the event of an emergency, I cannot be released to anyone other than my guardian(s) unless previously cleared with administration.
5. I will not possess, conceal, use, transmit, or show evidence of consumption of alcohol, narcotics, tobacco, and any illegal drug as defined by Ohio Revised Code.
6. I shall not disregard or refuse to obey any reasonable directives given by my coaches or other school personnel.
7. It is my obligation to act, both on and off the playing field, in a manner that properly represents the program. I will not conduct myself in such a way that I bring embarrassment upon myself, my family, the school, or the coaching staff.
8. My conduct and overall effort as a student in the classroom may impact my continued participation in the program.

### **STUDENT ATHLETE CONTRACT 2020-2021 (continued)**

9. I will always treat teachers, staff members, coaches, teammates, officials, opponents, and others with respect in a manner befitting a good representative of Clearview Local Schools.
10. I will respect all buildings, property, and transportation vehicles. This includes, but is not limited to, the gymnasiums and locker rooms of both Clearview Local Schools and all opponents.
11. I have read the Student Handbook and understand all of the district wide policies.
12. I will not post, send, transmit, or share inappropriate messages, videos, or pictures via social media or text messaging.
13. I understand that vacations that take place during the season must be cleared by the head coach prior to the start of the season. I accept that absences from practices and/or games due to vacations could directly affect my status as a member of the team.
14. I understand that all tardiness and absences need to be cleared by the coaching staff.
15. My participation in the off-season program in no way guarantees that I will make the team and it also does not guarantee me any specific amount of playing time if I do. I do however understand that my participation in the off-season program could help me to gain the skills, fundamentals, strength, and conditioning necessary to increase my chances of making the team while giving me a greater chance of actively contributing.
16. If I am currently not involved in another sport, I will do my best to try to attend and actively participate in any/all off-season/summer workouts, weight training, conditioning, etc. I understand that off-season workouts are not mandatory however putting in extra work throughout the off-season could improve my performance, strength, and conditioning. As a courtesy, I will make sure that I contact the head coach to inform him/her any time that I will not be attending.
17. I understand that cell phones are not permitted in the gym/court/playing field at any time during practices or games unless they are turned off. Cell phone use is limited to communicating information about pick-up times or emergencies. Players must ask for permission to use a cell phone for this reason. Cell phones will be confiscated and given to respective coaches if necessary.
18. I will accept the role that I am given by the coaching staff while being attentive and coachable at all times.
19. I understand that transferring to another high school may affect my athletic eligibility. Because of this, I will make sure to consult the district Athletic Director before I consider doing so.

### STUDENT ATHLETE CONTRACT 2020-2021 (continued)

20. I understand that having a full schedule of classes greatly increases my chances at being academically eligible. I also understand that NOT having a full schedule of classes could result in me not earning enough credit hours to be academically eligible for athletics. I will ALWAYS make sure to consult my guidance counselor before finalizing my schedule or dropping a class to make sure that I am enrolled in enough credit hours to participate in athletics. I understand that I must be enrolled in a minimum of 5 one-credit courses or the equivalent. In addition, I understand that I must pass a minimum of 5 one-credit courses or the equivalent in the immediately preceding grading period with a minimum 1.5 GPA for the quarter in order to be eligible to play a sport.
21. I have been issued equipment and/or apparel for the upcoming season. I understand and accept that I must return this equipment and/or apparel at the conclusion of the season, and if I do not, I will be billed for the replacement of this equipment and/or apparel. I also understand and accept that I will be held accountable for any damages that are done to this equipment and/or apparel other than the normal "wear and tear" that occurs throughout the course of a season. All of my equipment has been inspected, and any damages prior to these items being issued have been noted.
22. I understand the fact that participating in athletics may result in injury.
23. I accept the fact that it is the decision of the coaching staff and/or school administration to determine appropriate disciplinary action, and I accept that violations to any rules listed above may result in:
- Extra work
  - Loss of playing time
  - Practice, game, or seasonal suspension
  - Dismissal from the team

It is important to recognize that interscholastic athletics is a privilege and not a right. I have read the rules and am willing to abide by them as a member of the Clearview Local Schools Athletic Program.

# **Clearview Local Schools Technology Acceptable Use Policy Agreement Form**

Misuse means any violations of the Agreement or any other use that is not included in the Agreement, but has the effect of harming another or his or her property.

All students who want to have access to electronic/online resources must sign this form. Parents/guardians of students under age 18 are also required to read and sign the agreement.
