# **BENEFITS & CAUTIONS**

# COLLEGE CREDIT PLUS (BENEFITS)

- **ALL STUDENTS:**
  - Attend college classes while still in high school
  - Count credits for both high school and college
  - Complete college degree in fewer terms and with greater flexibility
  - Students retain entering freshman status toward federal and state financial aid

# COLLEGE CREDIT PLUS (BENEFITS)

- Transfer CCP credits to LCCC or another higher education institution
  - [www.transferology.com](http://www.transferology.com)
  - <https://transfercredit.ohio.gov/ap/1>
  - [www.lorainccc.edu/transfer](http://www.lorainccc.edu/transfer)

# COLLEGE CREDIT PLUS (BENEFITS)

Reduce overall cost of college education!

## Average Ohio Tuition and Fees – (Per Year)

Independent Colleges:	\$27,021*
University Main Campuses:	\$9,608**
University Regional Campuses:	\$5,410 **
Community Colleges:	\$3,484 **
Lorain County Community College:	\$3,076**

\*Tuition rates from 2012

\*\*Tuition rates from 2014

Lorain County  
Community College

# COLLEGE CREDIT PLUS (BENEFITS)

- HIGH SCHOOL SITE STUDENTS:

- Student remains in the high school environment
- Students will not have conflicts with high school extracurricular activities

- LCCC SITE STUDENTS:

- Take courses not available at the high school
- Increase opportunities for career exploration
- Experience diversity by exposure to students of different backgrounds, ages and beliefs

# COLLEGE CREDIT PLUS (BENEFITS)

- **ALL STUDENTS:**

- Access to LCCC Student Services – no matter where you take your classes
  - Computer labs
  - Physical education facilities
  - Career development services
  - Advising and counseling services
  - Free tutoring services
  - Use of the library/Ohio link

# COLLEGE CREDIT PLUS (CAUTIONS)

- LCCC SITE STUDENTS:
  - Student is removed from the high school environment
  - Students may miss out on high school activities
  - Students may not have the maturity for the college atmosphere
  - Students will follow LCCC calendar which mean breaks, days off and finals may differ

# COLLEGE CREDIT PLUS (CAUTIONS)

- ALL STUDENTS:

- Grades earned in college coursework may affect high school class rank
- College grades are computed into GPA
- Students will be exposed to course work geared toward adult learners
- College transcripts are permanent records
- School districts may seek financial restitution if student fails a course

# COLLEGE CREDIT PLUS (CAUTIONS)

- ALL STUDENTS:

- High school graduation may be jeopardized if a student fails or drops a college course that is also being used for high school credit
  - Work closely with high school counselor
  - Give your absolute best effort
  - Talk to your instructors!
  - Get help/tutoring if necessary

# CRITERIA FOR ADMISSION

- Submit application, including high school transcript
- Assess at college level in at least one of three areas:
  - English, Reading, or Math
- Students submit appropriate ACT, SAT, or COMPASS scores to verify college readiness

	ENGLISH	MATH	READING
<u>ACT</u>	18	22	21
<u>SAT</u>	430	520	450
<u>COMPASS</u>	69	52	71

# WHAT CLASSES CAN STUDENTS TAKE?

- All classes taken through College Credit Plus must be part of a certificate or degree program
  - Students may choose courses from the state transfer module (general education or core courses) that are guaranteed to transfer to state colleges and universities
  - Students may also choose courses that they find interesting or that are not available at the high school to further career exploration
  - Students must meet pre-requisites for specific course

# **RESTRICTED COURSES**

- All Allied Health Clinical Courses
- Early Child Education Courses
- EMT courses
- PEFT 151 (minimum age 13)
- All developmental courses

# CREDIT HOUR LIMITS

- Students can take a maximum of 30 credit hours per year
  - Students can earn a maximum of 120 hours throughout their entire period of participation
- Students must work with their high school counselor to determine the exact amount of credit hours they have available each year

# HOW TO DETERMINE AVAILABLE CREDIT HOURS

- Count the number of secondary units for which the student is earning *only* high school credit
- Multiply that number by 3
- Subtract that number from 30

## EXAMPLE:

Student is enrolled for 4 secondary units

$$4 \times 3 = 12$$

$$30 - 12 = 18$$

Student is eligible to take 18 college credit hours during the current academic year

# WHAT TO DO & WHEN TO DO IT

- **ALL STUDENTS:**
  - Notify middle/high school of intent to participate by April 1, 2015
    - Get intent to participate form from your middle/ high school
- Complete application **AS SOON AS YOU DECIDE TO PARTICIPATE**
  - Turn completed application into your middle/ high school immediately!
- Discuss college course selections with your high school counselor to complete section 2 of the application and forward to LCCC along with your high school transcript
  - Include ACT/SAT scores, if applicable
- Complete the COMPASS assessment, if necessary
  - Visit [www.lorainccc.edu/compass](http://www.lorainccc.edu/compass) for sample questions

# APPLICATION DEADLINES
