End of Course Exam (grades 9-11)

April 16, 17, 23, 25 & 30 and May 2 & 3

All exams will be administered online, in select classrooms or the Computer Lab.

All students who need to test will report to their assigned testing areas at 7:30 am. Testing will begin immediately. All students will have until 10:30 am in their testing areas. If a student needs more time, and has not reached the testing time limit, their tests will be paused, and students will be relocated to the Media Center to complete their testing within the allotted time the State of Ohio has determined for End of Course Exams.

Students who do not need to test will report to school for a 10:20 am starting time on all testing dates. Clearview High School will have a modified schedule on testing dates.

All students assigned to testing must accrue 18 points on seven (7) End of Course Exams to be eligible to graduate from high school.

Listed on the back of this letter is the bell schedule for the End of Course Exams.

Sincerely,

Noeleen L. Rothacker
