ATTENDANCE

Absences are accumulated in hours and minutes. This includes partial days, full days, tardies, and early dismissals. Unexcused absences are calculated as follows:

1. Accumulated 30 consecutive hours, or
2. Accumulated 42 hours in a school month, or
3. Accumulate 72 hours in a school year

The State of Ohio requires that a child between the ages of 6 and 18 attend school. It is the responsibility of the parents and the student to comply with this law. The school administration is the determining agent for excused absences.

Excused Absence: Evidence is provided verifying for school personnel that the absence fell into one of the 7 categories of legal absences. Students in this category, within a reasonable length of time, as determined by the teacher, may make up all missed work. Parents may write **7 notes**

(and/or phone calls) per year to verify an absence as excused (as per the list below). Any absences *beyond these (7)* must be verified by a doctor's note, hospital, funeral or court documentation to be excused and could result in an attendance referral.

Unexcused Absence: The absence does not fall within the 7 categories defined as excused, and/or has used the designated amount of parent excuse notes.

A student may request that a student be excused for:

1. Personal illness	5. Religious holiday
2. Medical, dental or legal appointment	6. Emergency/Circumstances beyond control
3. Pre-arranged Absence	7. Administrative Discretion
4. Funeral	

DAILY ABSENCE

A parent or guardian must call the School office at 233-6869 to inform the school of a student's absence prior to 8:00 a.m. of the missed day. Our automated phone system will generate a phone call to the parent/guardian of any student who was tardy or absent. In order for the absence to be excused, a parent/guardian may either call the school or submit a note within 2 days of the absence once a student returns to school. ***The call and/or the note must state the date/dates absent and the reason (see above) for the absence.*** Phone calls and/or notes both count towards the 7 parent excuses for the year.

The note must be presented to the office on the day of the student's return to school. If the student does not bring a note, the absence is considered unexcused, and may be subject to attendance intervention strategies. Students who do not have a written note from home or students whose absence does not fall into one of the 7 categories of legal absences will receive an unexcused absence. An Intervention Plan may be developed depending upon which of the following categories the absence is classified.

Habitual Truant: Unexcused absences of more than 30 consecutive hours, and/or more than 42 hours in one school month, and/or more 72 hours in one school year, and the student will be referred to the Lorain County Court’s Alternative to Adjudication Attendance Program.

The school will notify families in writing once the student’s truancy reaches 38 or more hours in a month or 65 or more hours total in a school year. All absences, **excused or unexcused**, are counted in this total. Additional written notifications of unexcused absences will be sent per the Ohio Truancy Laws.

ATTENDANCE INTERVENTION PLAN

Once a student reaches threshold for habitual truant, school will assign student to the absence intervention team within 7 school days. The intervention team will consist of at minimum, a representative from the student's school district, a representative from the student's district who knows the child, the child's parent (or parent's designee) or the student's guardian, custodian, guardian ad litem, or temporary custodian, and the Lorain County Attendance Officer. The team may also include the school psychologist, counselor, social worker, or a representative of a public or nonprofit agency designed to assist students and families in reducing absences.

The intervention plan will be developed by the team within 14 days. The plan will address student's specific needs based on an attendance screening tool. The plan may include but not limited to referral for counseling services before, after, and weekend school sessions, parent involvement programs, notification to the Department of Motor Vehicles, truancy prevention programs, referral to Children's Service for Educational Neglect, or referral to the court system for adjudication. Required meetings will be held by the team to document student's progress on the plan.

If a student refuses to participate or fails to make satisfactory progress on the plan as determined by the absence intervention team, the Lorain County Attendance Officer will file a sworn Complaint in the Juvenile Court not later than the 61st day of the intervention plan.

TARDINESS TO SCHOOL & EARLY DISMISSAL

Students are expected to enter the building immediately upon arrival. All students are expected to be in school and to their 1st period class on time. Students who report to school after 8:00am (first period) will be considered **TARDY** and need to report to the office where they will sign in, and be given a pass to class.

Any student signing out of school after the start of the school day is considered early dismissal. All minutes from tardies and early dismissal will be included in the attendance totals. The tardies and early dismissals will be considered unexcused unless accompanied by a note. Notes for tardies and/or early dismissals count towards the 7 total notes for the year. Tardiness to school and/or early dismissal will result in the development of attendance intervention plan.

PARTICIPATING IN ATHLETICS

Students absent, report to school after 10:30am, or sign out for early dismissal will be ineligible to participate in athletic or co-curricular activities on that day.

SCHOOL ACTIVITIES/EXTRA-CURRICULAR

Students who are absent for any reason, report to school after 10:30am, or sign out for early dismissal, will not attend or participate in that event or activity (i.e. school dances, drama club practice, student council, etc.).

ILLNESS DURING SCHOOL

Students may not use a cellphone to call home prior to visiting the nurse for illness or injury

Students who become ill and/or are injured during the school day must obtain a clinic pass from their teacher prior to reporting to the clinic. Students that call a parent regarding an illness or injury without office permission, may be subject to disciplinary consequences. If there is a necessity to leave school, **the nurse will contact the parent**. Parents are to pick up students in the school office. No student will be sent home without parent notification. School personnel may not administer any medication of any kind unless requested to do so in writing by the attending physician and parent. Any medications brought to school must be left in the nurse's office. Students who are found to have any medications in their locker or on their person are subject to disciplinary action. ***NO STUDENT will be released to any person that is not listed on the Student Emergency Form.***

PREARRANGED ABSENCE

Arrangements must be made with the school at least one week prior to the absence. When a student must be absent from school because of a family trip, religious activity, or some other requirement, a note must accompany the request. The principal will determine whether the absence is excused or unexcused.

ABSENCES and MAKE-UP WORK

Students that are going to be out **more than 2 days** may request homework. Please call the attendance line **440-233-6869 (option 1)** to request homework. Teachers will be given a form to fill out, and work may be picked up in the main office after 2:00pm. Requests for work may take up to 24 hours to have work prepared for pick up.

EXTENDED ABSENCE

If a student will be absent from school for an extended period *of* time because *of* illness or injury the school should be notified so that an arrangement can be made for some form of home instruction, if allowable.

WITHDRAWALS

Students may not voluntarily withdraw from school until the age of 18 years. All school books and materials must be returned and all debts must be paid before the withdrawal is made official.

CURRICULUM

GRADING

Classroom grades are computed on the following percentage scale:

- A =100-90
- B =- 89-80
- C = 79-70
- D = 69-60
- F= 59 or below

Yearly grades are computed as an average of four nine-week marking periods. Grade reports are issued to students each nine weeks. All incomplete grades automatically become "F" grades 10 days after the end of the grading period unless special arrangements are made with the teacher. Final grades for all subjects are computed as follows:

- A=4.0-3.51
- B=3.5-2.51
- C=2.5-1.51
- D=1.5-0.67

The official grade point average is calculated on the final mark obtained in each course.

ACADEMIC HONORS

At the conclusion of each marking period, an academic honors list will be prepared to recognize outstanding scholarship.

Excellence Roll: All A's will consist of High Honors

Honor Roll: All A's and B's

Merit Roll: All A's, B's and one C

PROGRESS REPORT

During the mid-point of each marking period, progress reports will be available for all students who are failing to meet the objectives of their course work. Parent Teacher Conferences are scheduled following the distribution of Interim Progress Reports. Some courses last for 7-weeks. Progress reports will be sent home with those students who are in danger of failing or not meeting the objectives of that class. These progress reports will be sent home midway between the 7-week courses. Students' grades are available on Power School throughout the year.

<https://ps-cv.metasolutions.net/public/>

See the website for directions on how to create a parent account. Click on the "parent" tab and then the link "Power School link for parents." We highly encourage parents to actively monitor their child/children's academic progress throughout the year.

ACADEMIC DISHONESTY

The student handbook defines plagiarism as the use of another person's original ideas or writing as one's own without giving the other person credit. Examples of plagiarism include discussing and/or copying answers to homework assignments with other persons, copying or paraphrasing information found on the internet or in another reference source without citing the information as coming from a secondary source, and copying or paraphrasing research papers. Students guilty of plagiarism are subject to a zero and disciplinary action.

FIELD TRIPS

There are two types of field trips: Academic and Nonacademic. Academic field trips are extensions of classroom activities that are directly related to coursework being studied. Nonacademic field trips are often supplementary and NOT directly related to course content (e.g. a special activity for good behavior). Students must complete a Field Trip Permission Form to attend any activity off school grounds. ***No student may participate in a nonacademic field trip that has a failing grade in any class without that teacher's permission.***

ATHLETIC ELIGIBILITY

To be eligible, a student athlete must have received passing grades in a minimum of five of all subjects in which they are enrolled the immediately preceding grading period. This requirement must be met at the end of each grading period (9 weeks) for the student to remain eligible for the following grading period. Grades and/or poor attendance will affect athletic participation.

NATIONAL JUNIOR HONOR SOCIETY

To be considered for induction into the National Honor Society, in addition to fine scholastic achievements, a student must have demonstrated the qualities of leadership, service and character which all members of National Honor Society are proud to display. According to the Constitution of the National Honor Society, there is no review and no appeal of the selection process by parents, peers, faculty, or community members.

STUDENT DISCIPLINE

One of the most important goals of the educational program at Durling is to assist each student in developing a feeling of responsibility toward his/her school and, in turn, encourage behavior centered on self-discipline. When this self-discipline breaks down, it is the school's duty to emphasize to the student that, as is true of the adult world, each individual is held responsible for his/her own actions. The school has the authority to use one or any combination of the following disciplinary measures to improve student behavior:

Discipline Types

1. Conferences involving any or all personnel affected
2. Referral to counselor, psychologist, or community service agency
3. Activity constructed to develop a positive awareness or responsibility in the student.
4. **Behavioral Probation/Progressive Discipline:** During this probation period, the student is assigned specific guidelines involving attendance, behavior, extracurricular participation and use of school privileges that must be adhered to. Failure to comply may result in suspension
5. **Detentions:** The student is given one day's notice to begin serving detentions. These must be served consecutively unless permission is granted by the individual assigning the detentions.
6. **Emergency Removal:**
 - a. **Activity:** Students may not participate in the class activity named for a prescribed period of time. Credit for any classes missed will be decided by

the administrator.

b. **Class:** Students are to report to an assigned area in place of a particular class.

7. **Class Removal:** Students are to remain in an assigned area throughout the period/school day, and are expected to cooperate totally with all academic and behavior requirements.
8. **Out-of-School Suspension:** Students are to remain in their homes during school hours and are not permitted to be on school property or attend school activities during the suspension. Parents must sign the student back into school following the suspension. Students may receive at teacher discretion, credit or be excused from any assignment.
9. **Bus Removal:** Students must provide their own transportation to and from school and are expected to meet all attendance requirements.
10. **Court Referral:** Charges of unruly can be filled by the school for behavior issues.
11. **Assignment of community service:** In cooperation with the students' parent/guardian and either school personnel or another community agency, the student will be assigned a specific number of hours of community service to complete by a specific deadline. Failure to meet the assigned deadline may result in additional disciplinary action.
12. **Assignment to Lorain County Academy:** Students may be assigned to attend school at the Lorain County Academy based on behavior, academics, and/or attendance. Periodic reviews of the students' performance will occur to determine continued placement.
13. **Expulsion:** Students are not permitted to be on school property or make up class work for credit for a period of 11 school days or more. Students may not attend school functions either at home or away.

Note: Make-up work for credit is not permitted while students are expelled or suspended out of school. However, the principal reserves the right to permit make-up work under certain circumstances.

It is believed by the administration that the classroom teacher is the best judge of what rules should be established in the classroom and what discipline is to be assigned. Full cooperation will be provided in backing any reasonable discipline policies created by the classroom teacher and explained to the class. Students are reminded that the administrative involvement in any classroom problem will most likely result in disciplinary action more severe than originally assigned by the teacher.

PHYSICAL CONTACT

Excessive physical contact and public displays of affection are unnecessary and inappropriate behavior in school. Persistence in these behaviors may result in disciplinary action.

This includes play fighting and games that involve physical contact. Students that are “just playing” that involve any physical contact may be subject to disciplinary action, whether they meant harm or not.

CELLULAR PHONES/ELECTRONICS

With the increased use of cell phones in society, and the increased and often inappropriate use of social media, students may not use cell phones or electronic devices during the school day. Students who need to bring these devices to school to arrange rides or to inform parents about after school commitments will leave them in their locker throughout the day. *Students are **NOT** to use their cell phones to call home because of illness.* Again, they need to check in with the school nurse and/or office staff. Students may NOT access their phone during class changes and lunch or recess. If seen, the phone will be confiscated, and turned into the office. The phone will be returned only after contact with a parent/guardian. The following are **minimum guidelines** that

will result from a cell phone being confiscated:

- 1st Offense:** Student may pick up phone from school administrator at the end of the day, after Parent/Guardian has been contacted.
- 2nd & 3rd Offense:** Parent/guardian must pick up phone from school administrator and student will be issued “An after school detention.”
- 4th Offense:** In addition to the 1st, 2nd, and 3rd offense consequences, the student may receive an “Out of School Suspension.”

A student may be disciplined, suspended or expelled for any of the following reasons:

- Taking pictures, recording video, sharing via social media/text or any action that would cause a violation of the technology agreement are prohibited.
- Any electronic act that may be used to harm, bully or intimidate are prohibited, including, but not limited to, cell phone, iPhone watch, tablet and iPod.

STAFF AUTHORITY

Students are expected to comply with reasonable requests **made by all authorized school personnel** (administrators, teachers, monitors, secretaries, custodians, cooks, bus drivers, and other school system employees whose work involves contact with the student body). This cooperation is expected at all school related activities. Students are reminded that school rules apply during all school activities and on all of the school's property.

FIGHT/ASSAULT

- **Fighting** is defined as a situation in which blows and/or ANY other aggressive physical contact are exchanged by each party involved in the incident.
- **Assault** is defined as an attack or violent act directed at students, staff, visitors or community members on school property or at school sponsored activities. Use of racial slurs and hate language is considered assault and is a suspendable offense. Students who react nonviolently when struck or otherwise assaulted will not be subject to suspension.

GUIDELINES FOR BUS STUDENTS

The following guidelines have been developed to insure the safety and well-being of our students. Failure to comply with stated rules may result in the loss of bus privileges.

1. Be at the bus stop early enough and remain late enough to allow for variations in the bus schedule.
2. Enter and exit the bus in an orderly manner.
3. Totally comply with all requests made by the bus driver. The bus driver may assign seats.
4. While on the bus, students must:
 - a. Obey all drivers' instructions at all times.
 - b. Keep all body parts and objects to themselves and inside the bus at all times.

- c. No eating, drinking, smoking, having any sharp objects or animals on the bus.
 - d. Remain properly seated and keep aisles cleared at all times.
 - e. No cursing/swearing, teasing/name calling, talking loudly, or fighting on the bus.
 - f. No littering, damaging, or vandalizing the bus in any way.
5. Cross the street at least 10 feet in front of bus and only upon signal from the bus driver.

HAZING AND BULLYING (Harassment, Intimidation and Dating Violence)

Hazing means doing any act or coercing another, including the victim, to do any act of intimidation or harassment to any student or other organization that causes or creates a substantial risk of causing mental or physical harm to any person.

Throughout this policy the term bullying is used in place of harassment, intimidation and bullying.

Bullying, harassment and intimidation is an intentional written, verbal, electronic or physical act that a student has exhibited toward another particular student more than once. The intentional act also includes violence within a dating relationship. The behavior causes mental or physical harm to the other student and is sufficiently severe, persistent or pervasive that it creates an intimidating, threatening or abusive educational environment for the other student. This behavior is prohibited on school property, on a school bus or at a school-sponsored activity. Students found responsible for harassment, intimidation or bullying by an electronic act may be suspended.

Permission, consent or assumption of risk by an individual subjected to hazing, bullying and/or dating violence does not lessen the prohibition contained in this policy.

The District includes, within the health curriculum, age-appropriate instruction in dating violence prevention education in grades 7 to 12. This instruction includes recognizing warning signs of dating violence and the characteristics of healthy relationships.

Prohibited activities of any type, including those activities engaged in via computer and/or electronic communications devices or electronic means, are inconsistent with the educational process and are prohibited at all times. The District educates minors about appropriate online behavior, including interacting with other individuals on social networking websites and in chat rooms and cyberbullying awareness and response.

No administrator, teacher or other employee of the District shall encourage, permit, condone or tolerate any hazing and/or bullying activities. No students, including leaders of student organizations, are permitted to plan, encourage or engage in any hazing and/or bullying.

Administrators, teachers and all other District employees are particularly alert to possible conditions, circumstances or events that might include hazing, bullying and/or dating

violence. If any of the prohibited behaviors are planned or discovered, involved students are informed by the discovering District employee of the prohibition contained in this policy and are required to end all such activities immediately. All hazing, bullying and/or dating violence incidents are reported immediately to the Superintendent/designee and appropriate discipline is administered. The Superintendent/designee must provide the Board President with a semi-annual written summary of all reported incidents and post the summary on the District's website, to the extent permitted by law.

The administration provides training on the District's hazing and bullying policy to District employees and volunteers who have direct contact with students. Additional training is provided to elementary employees in violence and substance abuse prevention and positive youth development.

District employees, students and volunteers have qualified civil immunity for damages arising from reporting an incident of hazing and/or bullying. Administrators, teachers, other employees and students who fail to abide by this policy may be subject to disciplinary action and may be liable for civil and criminal penalties in compliance with State and Federal law.

No one is permitted to retaliate against an employee or student because he/she files a grievance or assists or participates in an investigation, proceeding or hearing regarding the charge of hazing and/or bullying of an individual.

The Children's Internet Protection Act added a requirement that effective July 1, 2012 all school districts participating in the e-rate program must include language in their Internet safety policy regarding the education of minors concerning appropriate online behavior, including interacting with other individuals on social networking websites and in chat rooms and cyber bullying awareness and response and to develop an educational plan to implement the program.

HB 116 (The Jessica Logan Act), signed by the Governor on February 2, 2012, requires districts to update Hazing and Bullying policies to include several new requirements by November 2012. The majority of language changes appear in Ohio Revised Code section 3313.666.

Harassment, bullying and intimidation are prohibited. This policy also extends to school property, school transportation, at school sponsored events, or, if the harassment, bullying and intimidation materially or substantially disrupts the educational environment and discipline of the school. An Electronic Act" means an act committed through the use of a cellular telephone, computer, pager, personal communication device, or other electronic means used to harass, bully or intimidate. In addition, the use of an 'Electronic Act' used to defame another can result in civil liabilities for damages.

(The preceding information is in accordance to the Hazing and Bullying Policy as adopted by

the Clearview Local Schools Board of Education)

STUDENT SPORTS FAN CONDUCT

At all school athletic contests, Durling students and parents are a reflection of the school and community. As such, students and parents are expected to conduct themselves with the ethics of good sportsmanship as a top priority. At all home contests, students are required to sit in the bleachers designated as the home side. At all away contests, students are required to sit in the bleacher area designated for the visiting school. Only the official designated Durling cheerleading squads will be permitted on the floor, field, or track area. All others must remain in the designated seating area.

Students and parents are reminded that they are representatives of Durling Middle School and Clearview Local Schools. Hence, it is imperative that we remain positive examples at all times.

EXTRACURRICULAR CODE OF CONDUCT

Philosophy:

Participation in the CLEARVIEW School's extracurricular activities is both an honor and a privilege. Students who choose to belong to any team or group have made themselves subject to additional responsibilities, not only to themselves, but also to their teams, groups and school. In order to gain the right to participate in any extracurricular activity, a student must understand and abide by the all parts of this handbook. The student's intent to abide by this code shall be evidenced in an agreement, which shall correspond with the signing of the final page of the Handbook by the student and the student's parent/guardian. This policy operates in conjunction with the Student Code of Conduct, so that, (A) these provisions are part of that code, and (B) all students participating in extracurricular activities are subject to all provisions.

Goal:

Our goal is to help students attain a drug-free lifestyle and represent Clearview in a positive manner.

Objectives:

1. To help the student become a positive influence on the school, community, family and self.
2. To help the student perform to his/her potential.
3. To maintain the unity and morals of all extracurricular activities.

4. To build team/organization goals as well as personal goals.

Athlete _____ School _____

Sport _____

As a member of the Clearview Local Schools Athletic Program, I will adhere to the following guidelines throughout the designated Ohio High School Athletic Association sport season:

1. I had someone represent me at the Preseason Parent Meeting, and any questions or concerns regarding the information that was discussed were directed to the Athletic Director or Head Coach.
2. It is my obligation to maintain proper physical conditioning specific to the respective sport that I am participating in.
3. I understand that if I choose to participate in multiple sports, extracurricular activities, clubs, etc. then they must not interfere with practices and/or games. If these activities could potentially conflict, then my participation must be cleared by the head coach prior to the start of the season. I also understand that these conflicts could affect my role as a member of the team.
4. I understand that I am expected to ride to and from all games on the bus with the team. Any conflicts in doing so should be cleared with the head coach prior to the day of the game unless there is an emergency. I also understand that even in the event of an emergency, I cannot be released to anyone other than my guardian(s) unless previously cleared with administration.
5. I will not possess, conceal, use, transmit, or be under the influence of alcohol, narcotics, tobacco, and any illegal drug as defined by Ohio Revised Code.
6. I shall not disregard or refuse to obey any reasonable directives given by my coaches or other school personnel.

7. It is my obligation to act, both on and off the playing field, in a manner that properly represents the program. I will not conduct myself in such a way that I bring embarrassment upon myself, my family, the school, or the coaching staff.
8. My conduct and overall effort as a student in the classroom may impact my continued participation in the program.
9. I will always treat teachers, staff members, coaches, teammates, officials, opponents, and others with respect in a manner befitting a good representative of Clearview Local Schools.
10. I will respect all buildings, property, and transportation vehicles. This includes, but is not limited to, the gymnasiums and locker rooms of both Clearview Local Schools and all opponents.
11. I have read the Student Handbook and understand all of the district wide policies.
12. I will not post, send, transmit, or share inappropriate messages, videos, or pictures via social media or text messaging.
13. I understand that vacations that take place during the season must be cleared by the head coach prior to the start of the season. I accept that absences from practices and/or games due to vacations could directly affect my status as a member of the team.
14. I understand that all tardiness and absences need to be cleared by the coaching staff.
15. My participation in the off-season program in no way guarantees that I will make the team and it also does not guarantee me any specific amount of playing time if I do. I do however understand that my participation in the off-season program could help me to gain the skills, fundamentals, strength, and conditioning necessary to increase my chances of making the team while giving me a greater chance of actively contributing.
16. If I am currently not involved in another sport, I will do my best to try to attend and actively participate in any/all off-season/summer workouts, weight training, conditioning, etc. I understand that off-season workouts are not mandatory however putting in extra work throughout the off-season could improve my performance, strength, and conditioning. As a courtesy, I will make sure that I contact the head coach to inform him/her any time that I will not be attending.

17. I understand that cell phones are not permitted in the gym/court/playing field at any time during practices or games unless they are turned off. Cell phone use is limited to communicating information about pick-up times or emergencies. Players must ask for permission to use a cell phone for this reason. Cell phones will be confiscated and given to respective coaches if necessary.
18. I will accept the role that I am given by the coaching staff while being attentive and coachable at all times.
19. I understand that transferring to another high school may affect my athletic eligibility. Because of this, I will make sure to consult the district Athletic Director before I consider doing so.
20. I understand that having a full schedule of classes greatly increases my chances at being academically eligible. I also understand that NOT having a full schedule of classes could result in me not earning enough credit hours to be academically eligible for athletics. I will ALWAYS make sure to consult my guidance counselor before finalizing my schedule or dropping a class to make sure that I am enrolled in enough credit hours to participate in athletics.
21. I have been issued equipment and/or apparel for the upcoming season. I understand and accept that I must return this equipment and/or apparel at the conclusion of the season, and if I do not, I will be billed for the replacement of this equipment and/or apparel. I also understand and accept that I will be held accountable for any damages that are done to this equipment and/or apparel other than the normal “wear and tear” that occur throughout the course of a season. All of my equipment has been inspected, and any damages prior to these items being issued have been noted.
22. I understand the fact that participating in athletics may result in serious injury.
23. I accept the fact that it is the decision of the coaching staff and/or school administration to determine appropriate disciplinary action, and I accept that violations to any rules listed above may result in:
 - Extra work
 - Loss of playing time
 - Practice, game, or seasonal suspension
 - Dismissal from the team

If a student has doubts regarding whether a resource has educational merit, he/she should ask a staff member.

By signing this Agreement, you are agreeing not only to follow the rules in this Policy and Agreement, but are agreeing to report any misuse of the network or equipment to the person designated by the School for such reporting. Misuse means any violations of the Agreement or any other use that is not included in the Agreement, but has the effect of harming another or his or her property.

All students who want to have access to electronic/online resources must sign this form. Parents/guardians of students under age 18 are also required to read and sign the agreement. Students 18 or older may sign the document themselves. Signing the document indicates that the student and parent/guardian have read and understand the expectations of the Clearview Local School District.
