

**Clearview High School
1st Semester Exam
Attendance Policy
Grades 9-12**

On **December 17, 18 and 19, 2014** CHS will be operating on a special schedule to conduct **1st semester final exams**. The schedule gives high school students the advantage of having a double block of time for each exam and no student will have more than three exams on any one day.

All students will have some sort of exam or exit activity for each class. For transcript purposes, all students in grades 9-12 will have a separate grade for exams on the report card.

High school students will have an "open campus" setting where students are only required to be in school when they have a scheduled exam. (Breakfast and lunch will be served each day.)

Please Make Arrangements for Transportation!

The school day on **December 17, 18 and 19** will be from **7:20 AM to 1:10 PM**. All students will need to make transportation accommodations (walk, get picked up, get ride home with a friend, etc.) as students will be asked to leave the building upon dismissal. The only exceptions will be those students taking makeup exams, those getting extra help from a teacher, or those involved in a supervised activity.

ATTENDANCE POLICY

If parents feel that their son/daughter can better study at home for exams, CHS will permit students to attend only when they are scheduled for a specific exam.

Note established policies below:

1. This applies only to **December 17, 18 and 19, 2014**.
2. Students must either report to regularly scheduled exams, classes, study hall, or lunch or leave school grounds. There will be no loitering on school grounds permitted.
3. Students are responsible for being in class on time for each scheduled exam. Failure to do so will result in consequences from loss of time to a failing exam grade.
4. The Clearview Local Schools will hold no liability for students when they leave school grounds.
5. Attendance will be taken during each exam. Students must attend the exams that correspond to their first and second quarter class schedule.
