Academics

Clearview High School serves approximately 600 students in grades 9-12 with about 50 staff members. "Setting Sail for Excellence" is a major theme that runs through our building. Clearview is special because it is a family atmosphere. CHS received a rating of 'Effective from the Ohio Department of Education. The students and staff work hard to become proficient on the Ohio Graduation Test (OGT) given and the ability to show growth in academics from year to year. To assist us in our path to Excellence, we follow the Ohio Academic Content Standards. Some programs listed below serve as tools to assist in the teachings of these standards.

- ◆ Study Island
- ◆ AP Courses
- ◆ Accelerated Reader + Math
- ◆ Explore / Plan Testing

Our Building

We currently have course offerings for every career path. Students have the opportunity to earn college credit, take courses that lead them to the JVS, or enter specific programs such as sports medicine or engineering. Clearview High School underwent construction and remodeling in 2003. Each year we update our buildings with the latest technology such as Smartboards, Mimeo boards, Turning Point Clicker Systems, and up to date computer labs.
