

STUDENT FUNDRAISING ACTIVITIES

The Board believes in providing opportunities for students to participate through cocurricular activities in fundraising projects which contribute to their educational growth and which do not conflict with the instructional program. Since the Ohio Revised Code and the Auditor's office mandate careful accounting of the receipt and expenditure of such funds, all fiscal operations of student groups must be in compliance with the following guidelines. All such related activities must be:

1. conducted by a recognized student group for the purpose of contributing to educational objectives;
2. appropriate to the age or grade level;
3. activities in which schools may appropriately engage;
4. conducted under the supervision of teachers, advisors or administrators;
5. conducted in such a manner and at such times as not to encroach upon instructional time or interfere with regularly scheduled school classes and activities;
6. scheduled so as not to be unduly demanding on secretarial, teacher and principal time or work;
7. evaluated annually by teachers, advisors, administrators and students;
8. limited in number so as not to become a burden or nuisance to the community and
9. sensitive to direct competition with fundraising efforts sponsored by recognized groups and organizations within the community.

The application of the above criteria for student sales and activities is supervised by the building principal with the approval of the Superintendent. Each principal submits to the Superintendent a list of the proposed sales or fund drives which the school plans to conduct during the school year and the purpose for which the funds are going to be used. The Superintendent then indicates his/her approval or disapproval within the limitations of the above criteria.

Funds derived from approved student fundraising activities are handled by the Treasurer's office in accordance with the State Auditor's requirements.
