We would like to welcome back all of our returning students and their families. Moreover, we would like to send out a special welcome to our new students and their families. This handbook was prepared in an effort to provide information regarding policies and procedures for the school, as well as the district. Please take the time to discuss this information and the content of this handbook with your child. The handbook is available online at www.clearviewschools.org, then click the Durling Middle School box on the left-hand side, and then select the DMS Information tab on the left. You will also find it on the right-hand side under Quick Links.

The Mission of Durling Middle School is “to provide all students with appropriate opportunities to maximize their academic potential, while acquiring those physical, social, and emotional skills necessary for responsible participation in a rapidly changing society.”

This year our vision also includes that all students can and must learn at high levels of achievement. Through a challenging curriculum, and meaningful instruction delivered by highly qualified teachers, our students will strive for academic excellence. In order to achieve this goal, all members of our community family must work together to help our students achieve academic success.

Together we will grow our students in a safe, respectful and responsible learning environment. We look forward to meeting not only the students of Durling, but also the parents. Please do not hesitate to contact me with any questions or concerns that may arise throughout the school year. We look forward to working with you and your student.

We are all part of your child(ren)’s team. It is our goal to provide a safe and positive learning environment. Please let us know if we can assist you in any way.
