

DAILY SCHEDULE

**It is important for students to stick to a normal routine at this time. Use this template to help pace your day. Some students might be more successful with only 2 tasks at a time and then take a short break.

Time	Activity	Description
8:00am	Wake Up!!	Do your normal morning routine.
8:30am	Eat Breakfast	You are about to feed your brain with learning. Don't forget to feed your body with food!
9:00am	Reading	Work on assigned reading.
9:30am	Reading	Continue with reading assignment
10:00am	Break/Snack	Take a break!! You earned it. Get a snack. Do something active to work off energy
10:30am	Silent Reading	Read a book, access online reading (Check the teacher's webpage for online activities).
11:00am	Break	Take another short break and do something active.
11:30pm	You Choose Academic Time	Check your teacher's web page and choose an online activity.
12:00pm	LUNCH!!	One hour to eat, relax, and play!
1:00pm	Math	1+1= Math time!!! Work on assigned math work.
1:30pm	Math	Did we say more math? Yes, we did! Complete the daily math assignment.
2:00pm	Break/Snack	Take another break, stretch your legs, grab a snack. You have almost made it through the day!
2:30pm	Math/Misc.	Any other work you need to focus on? Now is the time (Online assignments, writing, etc.)
3:00pm	Miscellaneous Classwork	Finish up any other assigned work. Stay focused. Put in your best effort!
3:30pm	Dismissal	You made it! Enjoy your afternoon

**This is just a sample schedule. You can adjust for what works best for your family and household. It is important that the students complete their assigned work. The teachers have worked hard to create this new learning platform in a short amount of time. Please reach out via Class Dojo if you have any questions.
