SECTION 125 FLEXIBLE BENEFIT PLAN

SECTION I

PURPOSE

The Employer is establishing this Flexible Benefit Plan in order to make a broader range of benefits available to its Employees and their Beneficiaries. This Plan allows Employees to choose among different types of benefits and select the combination best suited to their individual goals, desires, and needs. These choices include an option to receive certain benefits in lieu of taxable compensation.

In establishing this Plan, the Employer desires to attract, reward, and retain highly qualified, competent Employees, and believes this Plan will help achieve that goal.

It is the intent of the Employer to establish this Plan in conformity with Section 125 of the Internal Revenue Code of 1986, as amended, and in compliance with applicable rules and regulations issued by the Internal Revenue Service. This Plan will grant to eligible Employees an opportunity to purchase qualified benefits which, when purchased alone by the Employer, would not be taxable.

SECTION II

DEFINITIONS

The following words and phrases appear in this Plan and will have the meaning indicated below unless a different meaning is plainly required by the context:

- | | | |
|-------|----------------------|---|
| 2.01 | Administrator | The Employer unless another has been designated in writing by the Employer as Administrator within the meaning of Section 3(16) of ERISA (if applicable). |
| 2.02 | Beneficiary | Any person or persons designated by a participating Employee to receive any benefit payable under the Plan on account of the Employee's death. |
| 2.02a | Carryover | The amount equal to the lesser of (a) any unused amounts from the immediately preceding Plan Year or (b) five hundred dollars (\$500), except that in no event may the Carryover be less than five dollars (\$5). |
| 2.03 | Code | Internal Revenue Code of 1986, as amended. |
| 2.04 | Dependent | Any of the following:

(a) <u>Tax Dependent</u> : A Dependent includes a Participant's spouse and any other person who is a Participant's dependent within the meaning of Code Section 152, provided that, with respect to any plan that provides benefits that are excluded from an Employee's income under Code Section 105, a Participant's dependent (i) is any person within the meaning of Code Section 152, determined without regard to Subsections (b)(1), (b)(2), and (d)(1)(B) thereof, and (ii) includes any child of the Participant to whom |

Code Section 152(e) applies (such child will be treated as a dependent of both divorced parents).

(b) Student on a Medically Necessary Leave of Absence: With respect to any plan that is considered a group health plan under Michelle's Law (and not a HIPAA excepted benefit under Code Sections 9831(b), (c) and 9832(c)) and to the extent the Employer is required by Michelle's Law to provide continuation coverage, a Dependent includes a child who qualifies as a Tax Dependent (defined in Section 2.04(a)) because of his or her full-time student status, is enrolled in a group health plan, and is on a medically necessary leave of absence from school. The child will continue to be a Dependent if the medically necessary leave of absence commences while the child is suffering from a serious illness or injury, is medically necessary, and causes the child to lose student status for purposes of the group health plan's benefits coverage. Written physician certification that the child is suffering from a serious illness or injury and that the leave of absence is medically necessary is required at the Administrator's request. The child will no longer be considered a Dependent as of the earliest date that the child is no longer on a medically necessary leave of absence, the date that is one year after the first day of the medically necessary leave of absence, or the date benefits would otherwise terminate under either the group health plan or this Plan. Terms related to Michelle's Law, and not otherwise defined, will have the meaning provided under the Michelle's Law provisions of Code Section 9813.

An adult child described in this Section 2.04(c) is only a Dependent with respect to benefits provided after March 30, 2010 (subject to any other limitations of the Plan).

Dependent for purposes of the Dependent Care Reimbursement Plan is defined in Section 9.04(a).

SECTION III

ELIGIBILITY, ENROLLMENT, AND PARTICIPATION

- 3.01 **ELIGIBILITY:** Each Employee of the Employer who has met the eligibility requirements of Item C of the Adoption Agreement will be eligible to participate in the Plan on the Entry Date specified or the Effective Date of the Plan, whichever is later. Dependent eligibility to receive benefits under any of the plans listed in Item F of the Adoption Agreement will be described in the documents governing those benefit plans. To the extent a Dependent is eligible to receive benefits under a plan listed in Item F, an Eligible Employee may elect coverage under this Plan with respect to such Dependent. Notwithstanding the foregoing, life insurance coverage on the life of a Dependent may not be elected under this Plan.
- 3.02 **ENROLLMENT:** An eligible Employee may enroll (or re-enroll) in the Plan by submitting to the Employer, during an enrollment period, an Election Form which specifies his or her benefit elections for the Plan Year and which meets such standards for completeness and accuracy as the Employer may establish. A Participant's Election Form shall be completed prior to the beginning of the Plan Year, and

shall not be effective prior to the date such form is submitted to the Employer. Any Election Form submitted by a Participant in accordance with this Section shall remain in effect until the earlier of the following dates: the date the Participant terminates participation in the Plan; or, the effective date of a subsequently filed Election Form.

A Participant's right to elect certain benefit coverage shall be limited hereunder to the extent such rights are limited in the Policy. Furthermore, a Participant will not be entitled to revoke an election after a period of coverage has commenced and to make a new election with respect to the remainder of the period of coverage unless both the revocation and the new election are on account of and consistent with a change in status, or other allowable events, as determined by Section 125 of the Internal Revenue Code and the regulations thereunder.

3.03 **TERMINATION OF PARTICIPATION:** A Participant shall continue to participate in the Plan until the earlier of the following dates:

- a. The date the Participant terminates employment by death, disability, retirement or other separation from service; or
- b. The date the Participant ceases to work for the Employer as an eligible Employee; or
- c. The date of termination of the Plan; or
- d. The first date a Participant fails to pay required contributions while on a leave of absence.

3.04 **SEPARATION FROM SERVICE:** The existing elections of an Employee who separates from the employment service of the Employer shall be deemed to be automatically terminated and the Employee will not receive benefits for the remaining portion of the Plan Year.

3.05 **QUALIFYING LEAVE UNDER FAMILY LEAVE ACT:** Notwithstanding any provision to the contrary in this Plan, if a Participant goes on a qualifying unpaid leave under the Family and Medical Leave Act of 1993 (FMLA), to the extent required by the FMLA, the Employer will continue to maintain the Participant's existing coverage under the Plan with respect to benefits under Section V and Section VIII of the Plan on the same terms and conditions as though he were still an active Employee. If the Employee opts to continue his coverage, the Employee may pay his Elective Contribution with after-tax dollars while on leave (or pre-tax dollars to the extent he receives compensation during the leave), or the Employee may be given the option to pre-pay all or a portion of his Elective Contribution for the expected duration of the leave on a pre-tax salary reduction basis out of his pre-leave compensation (including unused sick days or vacation) by making a special election to that effect prior to the date such compensation would normally be made available to him (provided, however, that pre-tax dollars may not be utilized to fund coverage during the next plan year), or via other arrangements agreed upon between the Employee and the Administrator (e.g., the Administrator may fund coverage during the leave and withhold amounts upon the Employee's return). Upon return from such leave, the Employee will be permitted to reenter the Plan on the same basis the Employee was participating in the Plan prior to his leave, or as otherwise required by the FMLA.

SECTION IV

CONTRIBUTIONS

4.01 **EMPLOYER CONTRIBUTIONS:** The Employer may pay the costs of the benefits elected under the Plan with funds from the sources indicated in Item E of the Adoption Agreement. The Employer

Contribution may be made up of Non-Elective Contributions and/or Elective Contributions authorized by each Participant on a salary reduction basis.

4.02 IRREVOCABILITY OF ELECTIONS: A Participant may file a written election form with the Administrator before the end of the current Plan Year revising the rate of his contributions or discontinuing such contributions effective as of the first day of the next following Plan Year. The Participant's Elective Contributions will automatically terminate as of the date his employment terminates. Except as provided in this Section 4.02 and Section 4.03, a Participant's election under the Plan is irrevocable for the duration of the plan year to which it relates. The exceptions to the irrevocability requirement which would permit a mid-year election change in benefits and the salary reduction amount elected are set out in the Treasury regulations promulgated under Code Section 125, which include the following:

(a) Change in Status. A Participant may change or revoke his election under the Plan upon the occurrence of a valid change in status, but only if such change or termination is made on account of, and is consistent with, the change in status in accordance with the Treasury regulations promulgated under Section 125. The Employer, in its sole discretion as Administrator, shall determine whether a requested change is on account of and consistent with a change in status, as follows:

- (1) Change in Employee's legal marital status, including marriage, divorce, death of spouse, legal separation, and annulment;
- (2) Change in number of Dependents, including birth, adoption, placement for adoption, and death;
- (3) Change in employment status, including any employment status change affecting benefit eligibility of the Employee, spouse or Dependent, such as termination or commencement of employment, change in hours, strike or lockout, a commencement or return from an unpaid leave of absence, and a change in work site. If the eligibility for either the cafeteria Plan or any underlying benefit plans of the Employer of the Employee, spouse or Dependent relies on the employment status of that individual, and there is a change in that individual's employment status resulting in gaining or losing eligibility under the Plan, this constitutes a valid change in status. This category only applies if benefit eligibility is lost or gained as a result of the event. If an Employee terminates and is rehired within 30 days, the Employee is required to step back into his previous election. If the Employee terminates and is rehired after 30 days, the Employee may either step back into the previous election or make a new election;
- (4) Dependent satisfies, or ceases to satisfy, Dependent eligibility requirements due to attainment of age, gain or loss of student status, marriage or any similar circumstances; and
- (5) Residence change of Employee, spouse or Dependent, affecting the Employee's eligibility for coverage.

(b) Special Enrollment Rights. If a Participant or his or her spouse or Dependent is entitled to special enrollment rights under a group health plan (other than an excepted benefit), as required by HIPAA under Code Section 9801(f), then a Participant may revoke a prior election for group health plan coverage and make a new election, provided that the election change corresponds with such HIPAA special enrollment right. As required by HIPAA, a special enrollment right will arise in the following circumstances: (i) a Participant or his or her spouse or Dependent declined to enroll in group health plan coverage because he or she had coverage, and eligibility for such coverage is subsequently lost because the coverage was provided under COBRA and the COBRA coverage was exhausted, or the coverage was non-COBRA coverage and the coverage terminated due to loss of eligibility for coverage or the employer contributions for the coverage were terminated; (ii) a new Dependent is acquired as a result of marriage, birth, adoption, or placement for adoption; (iii) the Participant's or his or her spouse's or Dependent's coverage under a Medicaid plan or under a

children's health insurance program (CHIP) is terminated as a result of loss of eligibility for such coverage and the Participant requests coverage under the group health plan not later than 60 days after the date of termination of such coverage; or (iv) the Participant, his or her spouse or Dependent becomes eligible for a state premium assistance subsidy from a Medicaid plan or through a state children's insurance program with respect to coverage under the group health plan and the Participant requests coverage under the group health plan not later than 60 days after the date the Participant, his or her spouse or Dependent is determined to be eligible for such assistance. An election change under (iii) or (iv) of this provision must be requested within 60 days after the termination of Medicaid or state health plan coverage or the determination of eligibility for a state premium assistance subsidy, as applicable. Special enrollment rights under the health insurance plan will be determined by the terms of the health insurance plan.

- (c) Certain Judgments, Decrees or Orders. If a judgment, decree or order resulting from a divorce, legal separation, annulment or change in legal custody (including a qualified medical child support order [QMCSO]) requires accident or health coverage for a Participant's child or for a foster child who is a dependent of the Participant, the Participant may have a mid-year election change to add or drop coverage consistent with the Order.
- (d) Entitlement to Medicare or Medicaid. If a Participant, Participant's spouse or Participant's Dependent who is enrolled in an accident or health plan of the Employer becomes entitled to Medicare or Medicaid (other than coverage consisting solely of benefits under Section 1928 of the Social Security Act providing for pediatric vaccines), the Participant may cancel or reduce health coverage under the Employer's Plan. Loss of Medicare or Medicaid entitlement would allow the Participant to add health coverage under the Employer's Plan.
- (e) Family Medical Leave Act. If an Employee is taking leave under the rules of the Family Medical Leave Act, the Employee may revoke previous elections and re-elect benefits upon return to work.
- (f) COBRA Qualifying Event. If an Employee has a COBRA qualifying event (a reduction in hours of the Employee, or a Dependent ceases eligibility), the Employee may increase his pre-tax contributions for coverage under the Employer's Plan if a COBRA event occurs with respect to the Employee, the Employee's spouse or Dependent. The COBRA rule does not apply to COBRA coverage under another Employer's Plan.
- (g) Changes in Eligibility for Adult Children. To the extent the Employer amends a plan listed in Item F of the Adoption Agreement that provides benefits that are excluded from an Employee's income under Code Section 105 to provide that Adult Children (as defined in Section 2.04(c)) are eligible to receive benefits under the plan, an Eligible Employee may make or change an election under this Plan to add coverage for the Adult Child and to make any corresponding change to the Eligible Employee's coverage that is consistent with adding coverage for the Adult Child.
- (h) Cancellation due to reduction in hours of service. A Participant may cancel group health plan (as that term is defined in Code Section 9832(a)) coverage, except Health FSA coverage, under the Employer's Plan if both of the following conditions are met:
 - (i) The Participant has been in an employment status under which the Participant was reasonably expected to average at least 30 hours of service per week and there is a change in that Participant's status so that the Participant will reasonably be expected to

- average less than 30 hours of service per week after the change, even if that reduction does not result in the Participant ceasing to be eligible under the group health plan; and
- (ii) The cancellation of the election of coverage under the Employer's group health plan coverage corresponds to the intended enrollment of the Participant, and any related individuals who cease coverage due to the cancellation, in another plan that provides minimum essential coverage with the new coverage effective no later than the first day of the second month following the month that includes the date the original coverage is cancelled.
- (i) Cancellation due to enrollment in a Qualified Health Plan. A participant may cancel group health plan (as that term is defined in Code Section 9832(a)) coverage, except Health FSA coverage, under the Employer's Plan if both of the following conditions are met:
- (i) The Participant is eligible for a Special Enrollment Period (as as defined in Code Section 9801(f)) to enroll in a Qualified Health Plan(as described in section 1311 of the Patient Protection and Affordable Care Act (PPACA)) through a competitive marketplace established under section 1311(c) of PPACA (Marketplace), pursuant to guidance issued by the Department of Health and Human Services and any other applicable guidance, or the Participant seeks to enroll in a Qualified Health Plan through a Marketplace during the Marketplace's annual open enrollment period; and
 - (ii) The cancellation of the election of coverage under the Employer's group health plan coverage corresponds to the intended enrollment of the Participant and any related individuals who cease coverage due to the cancellation in a Qualified Health Plan through a Marketplace for new coverage that is effective beginning no later than the day immediately following the last day of the original coverage that is cancelled.

Notwithstanding anything to the contrary in this Section 4.02, the change in election rules in this Section 4.02 do not apply to the Medical Expense Reimbursement Plan, or may not be modified with respect to the Medical Expense Reimbursement Plan if the Plan is being administered by a Recordkeeper other than the Employer, unless the Employer and the Recordkeeper otherwise agree in writing.

4.03 OTHER EXCEPTIONS TO IRREVOCABILITY OF ELECTIONS. Other exceptions to the irrevocability of election requirement permit mid-year election changes and apply to all qualified benefits except for Medical Expense Reimbursement Plans, as follows:

- (a) Change in Cost. If the cost of a benefit package option under the Plan significantly increases during the plan year, Participants may (i) make a corresponding increase in their salary reduction amount, (ii) revoke their elections and make a prospective election under another benefit option offering similar coverage, or (iii) revoke election completely if no similar coverage is available, including in spouse or dependent's plan. If the cost significantly decreases, employees may elect coverage even if they had not previously participated and may drop their previous election for a similar coverage option in order to elect the benefit package option that has decreased in cost during the year. If the increased or decreased cost of a benefit package option under the Plan is insignificant, the participant's salary reduction amount shall be automatically adjusted.
- (b) Significant curtailment of coverage.

- (i) With no loss of coverage. If the coverage under a benefit package option is significantly curtailed or ceases during the Plan Year, affected Participants may revoke their elections for the curtailed coverage and make a new prospective election for coverage under another benefit package option providing similar coverage.
- (ii) With loss of coverage. If there is a significant curtailment of coverage with loss of coverage, affected Participants may revoke election for curtailed coverage and make a new prospective election for coverage under another benefit package option providing similar coverage, or drop coverage if no similar benefit package option is available.
- (c) Addition or Significant Improvement of Benefit Package Option. If during the Plan Year a new benefit package option is added or significantly improved, eligible employees, whether currently participating or not, may revoke their existing election and elect the newly added or newly improved option.
- (d) Change in Coverage of a Spouse or Dependent Under Another Employer's Plan. If there is a change in coverage of a spouse, former spouse, or Dependent under another employer's plan, a Participant may make a prospective election change that is on account of and corresponds with a change made under the plan of the spouse or Dependent. This rule applies if (1) mandatory changes in coverage are initiated by either the insurer of spouse's plan or by the spouse's employer, or (2) optional changes are initiated by the spouse's employer or by the spouse through open enrollment.
- (e) Loss of coverage under other group health coverage. If during the Plan Year coverage is lost under any group health coverage sponsored by a governmental or educational institution, a Participant may prospectively change his or her election to add group health coverage for the affected Participant or his or her spouse or dependent.

- 4.04 CASH BENEFIT: Available amounts not used for the purchase of benefits under this Plan may be considered a cash benefit under the Plan payable to the Participant as taxable income to the extent indicated in Item E of the Adoption Agreement.
- 4.05 PAYMENT FROM EMPLOYER'S GENERAL ASSETS: Payment of benefits under this Plan shall be made by the Employer from Elective Contributions which shall be held as a part of its general assets.
- 4.06 EMPLOYER MAY HOLD ELECTIVE CONTRIBUTIONS: Pending payment of benefits in accordance with the terms of this Plan, Elective Contributions may be retained by the Employer in a separate account or, if elected by the Employer and as permitted or required by regulations of the Internal Revenue Service, Department of Labor or other governmental agency, such amounts of Elective Contributions may be held in a trust pending payment.

- 8.02 **ELIGIBILITY:** The eligibility provisions are set forth in Item F(7) of the Adoption Agreement.

8.03 TERMS, CONDITIONS, AND LIMITATIONS:

- a. Accounts. The Reimbursement Recordkeeper shall establish a recordkeeping account for each Participant. The Reimbursement Recordkeeper shall maintain a record of each account on an on-going basis, increasing the balances as contributions are credited during the year and decreasing the balances as Eligible Medical Expenses are reimbursed. No interest shall be payable on amounts recorded in any Participant's account.
- b. Maximum benefit. The maximum amount of reimbursement for each Participant shall be limited to the amount of the Participant's Elective Contribution allocated to the program during the Plan Year, not to exceed the maximum amount set forth in Item F(7) of the Adoption Agreement.
- c. Claim Procedure. In order to be reimbursed for any medical expenses incurred during the Plan Year, the Participant shall complete the form(s) provided for such purpose by the Reimbursement Recordkeeper. The Participant shall submit the completed form to the Reimbursement Recordkeeper with an original bill or other proof of the expense acceptable to the Reimbursement Recordkeeper. No reimbursement shall be made on the basis of an incomplete form or inadequate evidence of expense as determined by the Reimbursement Recordkeeper. Forms for reimbursement of Eligible Medical Expenses must be submitted no later than the last day of the third month following the last day of the Plan Year during which the Eligible Medical Expenses were incurred. Reimbursement payments shall only be made to the Participant, or the Participant's legal representative in the event of incapacity or death of the Participant. Forms for reimbursement shall be reviewed in accordance with the claims procedure set forth in Section XII.
- d. Funding. The funding of the Medical Reimbursement Plan shall be through contributions by the Employer from its general assets to the extent of Elective Contributions directed by Participants. Such contributions shall be made by the Employer when benefit payments and account administrative expenses become due and payable under this Medical Expense Reimbursement Plan.
- e. Forfeiture. Subject to Section 8.06 and 8.07, any amounts remaining to the credit of the Participant at the end of the Plan Year and not used for Eligible Medical Expenses incurred during the Participant's participation during the Plan Year shall be forfeited and shall remain assets of the Plan. With respect to a Participant who terminates employment with the Employer and who has not elected to continue coverage under this Plan pursuant to COBRA rights referenced under Section 8.03(f) herein, such Participant shall not be entitled to reimbursement for Eligible Medical Expenses incurred after his termination date regardless if such Participant has any amounts of Employer Contributions remaining to his credit. Upon the death of any Participant who has any amounts of Employer Contributions remaining to his credit, a dependent of the Participant may elect to continue to claim reimbursement for Eligible Medical Expenses in the same manner as the Participant could have for the balance of the Plan Year.
- f. COBRA. To the extent required by Section 4980B of the Code and Sections 601 through 607 of ERISA ("COBRA"), a Participant and a Participant's Dependents shall be entitled to elect continued participation in this Medical Expense Reimbursement Plan only through the end of the plan year in which the qualifying event occurs, by contributing monthly (from their personal assets previously subject to taxation) to the Employer/Administrator, 102% of the amount of

Participants who have a deficit balance in their Medical Expense Reimbursement Account on the date of their qualifying event shall not be entitled to elect COBRA coverage. In lieu of COBRA, Participants may continue their coverage through the end of the current Plan Year by paying those premiums out of their last paycheck on a pre-tax basis.

- g. Nondiscrimination. Benefits provided under this Medical Expense Reimbursement Plan shall not be provided in a manner that discriminates in favor of Employees or Dependents who are highly compensated individuals, as provided under Section 105(h) of the Code and regulations promulgated thereunder.
- h. Uniform Coverage Rule. - j. Proration of Limit. In the event that the Employer has purchased a uniform coverage risk policy from the Recordkeeper, then the Maximum Coverage amount specified in Section F.7 of the Adoption Agreement shall be pro rated with respect to (i) an Employee who becomes a Participant and enters the Plan during the Plan Year, and (ii) short plan years initiated by the Employer. Such Maximum Coverage amount will be pro rated by dividing the annual Maximum Coverage amount by 12, and multiplying the quotient by the number of remaining months in the Plan Year for the new Participant or the number of months in the short Plan Year, as applicable.
- k. Continuation Coverage for Certain Dependent Children. In the event that benefits under the Medical Expense Reimbursement Plan does not qualify for the exception from the portability rules of HIPAA, then, effective for Plan Years beginning on or after October 9, 2009, notwithstanding the foregoing provisions, coverage for a Dependent child who is enrolled in the Medical Expense Reimbursement Plan as a student at a post-secondary educational institution will not terminate due to a medically necessary leave of absence before a date that is the earlier of:
 - the date that is one year after the first day of the medically necessary leave of absence; or
 - the date on which such coverage would otherwise terminate under the terms of the Plan.

For purposes of this paragraph, “medically necessary leave of absence” means a leave of absence of the child from a post-secondary educational institution, or any other change in enrollment of the child at the institution, that: (i) commences while the child is suffering from a serious illness or injury; (ii) is medically necessary; and (iii) causes the child to lose student status for purposes of coverage under the terms of the Plan. A written certification must be provided by a treating physician of the dependent child to the Plan in order for the continuation coverage requirement to apply. The physician’s certification must state that the child is suffering from a serious illness or injury and that the leave of absence (or other change in enrollment) is medically necessary.

8.04 ELIGIBLE MEDICAL EXPENSES:

- (a) Eligible Medical Expense in General. The phrase ‘Eligible Medical Expense’ means any expense incurred by a Participant or any of his Dependents (subject to the restrictions in Sections 8.04(b) and (c)) during a Plan Year that (i) qualifies as an expense incurred by the Participant or Dependents for medical care as defined in Code Section 213(d) and meets the requirements outlined in Code Section 125, (ii) is excluded from gross income of the Participant under Code Section 105(b), and (iii) has not been and will not be paid or reimbursed by any other insurance plan, through damages, or from any other source. Notwithstanding the above, capital expenditures are not Eligible Medical Expenses under this Plan. Further, notwithstanding the above, effective January 1, 2011, only the following drugs or medicines will constitute Eligible Medical Expenses:
 - (i.) Drugs or medicines that require a prescription;
 - (ii.) Drugs or medicines that are available without a prescription (“over-the-counter drugs or medicines”) and the Participant or Dependent obtains a prescription; and
 - (iii.) Insulin.
- (b) Expenses Incurred After Commencement of Participation. Only medical care expenses incurred by a Participant or the Participant’s Dependent(s) on or after the date such Participant commenced participation in the Medical Expense Reimbursement Plan shall constitute an Eligible Medical Expense.
- (c) Eligible Expenses Incurred by Dependents. For purposes of this Section, Eligible Medical Expenses incurred by Dependents defined in Section 2.04(c) are eligible for reimbursement if incurred after March 30, 2010; Eligible Medical Expenses incurred by Dependents defined in Sections 2.04(a) and (b) are eligible for reimbursement if incurred either before or after March 30, 2010 (subject to the restrictions of Section 8.04(b)).
- (d) Health Savings Accounts. If the Employer has elected in Item F.8 of the Adoption Agreement to allow Eligible Employees to contribute to Health Savings Accounts under the Plan, then for a Participant who is eligible for and elects to contribute to a Health Savings Accounts, Eligible Medical Expenses shall be limited as set forth in Item F.8 of the Adoption Agreement.

8.05 USE OF DEBIT CARD: In the event that the Employer elects to allow the use of debit cards (“Debit Cards”) for reimbursement of Eligible Medical Expenses (other than over-the-counter drugs or medicines) under the Medical Expense Reimbursement Plan, the provisions described in this Section shall apply. However, beginning January 1, 2011, a Debit Card may not be used to purchase drugs or medicines over-the-counter.

- a. **Substantiation.** The following procedures shall be applied for purposes of substantiating claimed Eligible Medical Expenses after the use of a Debit Card to pay the claimed Eligible Medical Expense:
- (i) If the dollar amount of the transaction at a health care provider equals the dollar amount of the co-payment for that service under the Employer's major medical plan of the specific employee-cardholder, the charge is fully substantiated without the need for submission of a receipt or further review.
 - (ii) If the merchant, service provider, or other independent third-party (e.g., pharmacy benefit manager), at the time and point of sale, provides information to verify to the Recordkeeper (including electronically by e-mail, the internet, intranet, or telephone) that the charge is for a medical expense, the charge is fully substantiated without the need for submission of a receipt or further review.
- b. **Status of Charges.** All charges to a Debit Card, other than co-payments and real-time substantiation as described in Subsection (a) above, are treated as conditional pending confirmation of the charge, and additional third-party information, such as merchant or service provider receipts, describing the service or product, the date of the service or sale, and the amount, must be submitted for review and substantiation.
- c. **Correction Procedures for Improper Payments.** In the event that a claim has been reimbursed and is subsequently identified as not qualifying for reimbursement, one or all of the following procedures shall apply:
- (i) First, upon the Recordkeeper's identification of the improper payment, the Eligible Employee will be required to pay back to the Plan an amount equal to the improper payment.
 - (ii) Second, where the Eligible Employee does not pay back to the Plan the amount of the improper payment, the Employer will have the amount of the improper payment withheld from the Eligible Employee's wages or other compensation to the extent consistent with applicable law.
 - (iii) Third, if the improper payment still remains outstanding, the Plan may utilize a claim substitution or offset approach to resolve improper claims payments.
 - (iv) If the above correction efforts prove unsuccessful, or are otherwise unavailable, the Eligible Employee will remain indebted to the Employer for the amount of the improper payment. In that event and consistent with its business practices, the Employer may treat the payment as it would any other business indebtedness.
 - (v) In addition to the above, the Employer and the Plan may take other actions they may deem necessary, in their sole discretion, to ensure that further violations of the terms of the Debit Card do not occur, including, but not limited to, denial of access to the Debit Card until the indebtedness is repaid by the Eligible Employee.
- d. **Intent to Comply with Rev. Rul. 2003-43.** It is the Employer's intent that any use of Debit Cards to pay Eligible Medical Expenses shall comply with the guidelines for use of

such cards set forth in Rev. Rul. 2003-43, and this Section 8.05 shall be construed and interpreted in a manner necessary to comply with such guidelines.

- 8.06 **GRACE PERIOD:** If the Employer elects in Section F.7 of the Adoption Agreement to permit a Grace Period with respect to the Medical Reimbursement Plan, the provisions of this Section 8.06 shall apply. Notwithstanding anything to the contrary herein and in accordance with Internal Revenue Service Notice 2005-42, a Participant who has unused contributions relating to the Medical Reimbursement Plan from the immediately preceding Plan Year, and who incurs Eligible Medical Expenses for such qualified benefit during the Grace Period, may be paid or reimbursed for those Eligible Medical Expenses from the unused contributions as if the expenses had been incurred in the immediately preceding Plan Year. For purposes of this Section, 'Grace Period' shall mean the period extending to the 15th day of the third calendar month after the end of the immediately preceding Plan Year to which it relates. Eligible Medical Expenses incurred during the Grace Period shall be reimbursed first from unused contributions allocated to the Medical Reimbursement Plan for the prior Plan Year, and then from unused contributions for the current Plan Year, if participant is enrolled in current Plan Year.
- 8.07 **CARRYOVER:** If the Employer elects in Section F.7 of the Adoption Agreement to permit a Carryover with respect to the Medical Reimbursement Plan, the provisions of this Section 8.07 shall apply. Notwithstanding anything to the contrary herein and in accordance with Internal Revenue Service Notice 2013-71, the Carryover for a Participant who has an amount remaining unused as of the end of the run-off period for the Plan Year, may be used to pay or reimburse Eligible Medical Expenses during the following entire Plan Year. The Carryover does not count against or otherwise affect the Maximum benefit set forth in Section 8.03 (b). Eligible Medical Expenses incurred during a Plan Year shall be reimbursed first from unused contributions for the current Plan Year, and then from any Carryover carried over from the preceding Plan Year. Any unused amounts from the prior Plan Year that are used to reimburse a current Plan Year expense (a) reduce the amounts available to pay prior Plan Year expenses during the run-off period, (b) must be counted against any Carryover amount from the prior Plan Year, and (c) cannot exceed the maximum Carryover from the prior Plan Year. If the Employer elects to apply Section 8.06 in Section F.7 of the Adoption Agreement, this Section 8.07 shall not apply.

- a. Initial Claim for Benefits. Each Participant may submit a claim for benefits to the Administrator as provided in Section 12.08. A Participant shall have no right to seek review of a denial of benefits, or to bring any action in any court to enforce a claim for benefits prior to his filing a claim for benefits and exhausting his rights to review under this section.

When a claim for benefits has been filed properly, such claim for benefits shall be evaluated and the claimant shall be notified of the approval or the denial within (90) days after the receipt of such claim unless special circumstances require an extension of time for processing the claim. If such an extension of time for processing is required, written notice of the extension shall be furnished to the claimant prior to the termination of the initial ninety (90) day period which shall specify the special circumstances requiring an extension and the date by which a final decision will be reached (which date shall not be later than one hundred and eighty (180) days after the date on which the claim was filed.) A claimant shall be given a written notice in which the claimant shall be advised as to whether the claim is granted or denied, in whole or in part. If a claim is denied, in whole or in part, the claimant shall be given written notice which shall contain (a) the specific reasons for the denial, (b) references to pertinent plan provisions upon which the denial is based, (c) a description of any additional material or information necessary to perfect the claim and an explanation of why such material or information is necessary, and (d) the claimant's rights to seek review of the denial.

- b. Review of Claim Denial. If a claim is denied, in whole or in part, the claimant shall have the right to request that the Administrator review the denial, provided that the claimant files a written request for review with the Administrator within sixty (60) days after the date on which the claimant received written notification of the denial. A claimant (or his duly authorized representative) may review pertinent documents and submit issues and comments in writing to the Administrator. Within sixty (60) days after a request is received, the review shall be made and the claimant shall be advised in writing of the decision on review, unless special circumstances require an extension of time for processing the review, in which case the claimant shall be given a written notification within such initial sixty (60) day period specifying the reasons for the extension and when such review shall be completed (provided that such review shall be completed within one hundred and twenty (120) days after the date on which the request for review was filed.) The decision on review shall be forwarded to the claimant in writing and

shall include specific reasons for the decision and references to plan provisions upon which the decision is based. A decision on review shall be final and binding on all persons.

- c. Exhaustion of Remedies. If a claimant fails to file a request for review in accordance with the procedures herein outlined, such claimant shall have no rights to review and shall have no right to bring action in any court and the denial of the claim shall become final and binding on all persons for all purposes.

12.10 SPECIAL CLAIMS REVIEW PROCEDURE: The provisions of this Section 12.10 shall be applicable to claims under the Medical Expense Reimbursement Plan and the Group Medical Insurance Plan, effective on the first day of the first Plan Year beginning on or after July 1, 2002, but in no event later than January 1, 2003, provided such plans are subject to ERISA.

- a. Benefit Denials: The Administrator is responsible for evaluating all claims for reimbursement under the Medical Expense Reimbursement Plan and the Group Medical Insurance Plan.

The Administrator will decide a Participant's claim within a reasonable time not longer than 30 days after it is received. This time period may be extended for an additional 15 days for matters beyond the control of the Administrator, including in cases where a claim is incomplete. The Participant will receive written notice of any extension, including the reasons for the extension and information on the date by which a decision by the Administrator is expected to be made. The Participant will be given 45 days in which to complete an incomplete claim. The Administrator may secure independent medical or other advice and require such other evidence as it deems necessary to decide the claim.

If the Administrator denies the claim, in whole or in part, the Participant will be furnished with a written notice of adverse benefit determination setting forth:

1. the specific reason or reasons for the denial;
 2. reference to the specific Plan provision on which the denial is issued;
 3. a description of any additional material or information necessary for the Participant to complete his claim and an explanation of why such material or information is necessary, and
 4. appropriate information as to the steps to be taken if the Participant wishes to appeal the Administrator's determination, including the participant's right to submit written comments and have them considered, his right to review (on request and at no charge) relevant documents and other information, and his right to file suit under ERISA with respect to any adverse determination after appeal of his claim.
- b. Appealing Denied Claims: If the Participant's claim is denied in whole or in part, he may appeal to the Administrator for a review of the denied claim. The appeal must be made in writing within 180 days of the Administrator's initial notice of adverse benefit determination, or else the participant will lose the right to appeal the denial. If the Participant does not appeal on time, he will also lose his right to file suit in court, as he will have failed to exhaust his internal administrative appeal rights, which is generally a prerequisite to bringing suit.

A Participant's written appeal should state the reasons that he feels his claim should not have been denied. It should include any additional facts and/or documents that the Participant feels support his claim. The Participant may also ask additional questions and make written comments, and may review (on request and at no charge) documents and other information relevant to his appeal. The Administrator will review all written comment the Participant submits with his appeal.

- c. **Review of Appeal:** The Administrator will review and decide the Participant's appeal within a reasonable time not longer than 60 days after it is submitted and will notify the Participant of its decision in writing. The individual who decides the appeal will not be the same individual who decided the initial claim denial and will not be that individual's subordinate. The Administrator may secure independent medical or other advice and require such other evidence as it deems necessary to decide the appeal, except that any medical expert consulted in connection with the appeal will be different from any expert consulted in connection with the initial claim. (The identity of a medical expert consulted in connection with the Participant's appeal will be provided.) If the decision on appeal affirms the initial denial of the Participant's claim, the Participant will be furnished with a notice of adverse benefit determination on review setting forth:
1. The specific reason(s) for the denial,
 2. The specific Plan provision(s) on which the decision is based,
 3. A statement of the Participant's right to review (on request and at no charge) relevant documents and other information,
 4. If the Administrator relied on an "internal rule, guideline, protocol, or other similar criterion" in making the decision, a description of the specific rule, guideline, protocol, or other similar criterion or a statement that such a rule, guideline, protocol, or other similar criterion was relied on and that a copy of such rule, guideline, protocol, or other criterion will be provided free of charge to the Participant upon request," and
 5. A statement of the Participant's right to bring suit under ERISA § 502(a).

12.11 **PAYMENT TO REPRESENTATIVE:** In the event that a guardian, conservator or other legal representative has been duly appointed for a Participant entitled to any payment under the Plan, any such payment due may be made to the legal representative making claim therefor, and such payment so made shall be in complete discharge of the liabilities of the Plan therefor and the obligations of the Administrator and the Employer.

12.12 **PROTECTED HEALTH INFORMATION.** The provisions of this Section will apply only to those portions of the Plan that are considered a group health plan for purposes of 45 CFR Parts 160 and 164. The Plan may disclose PHI to employees of the Employer, or to other persons, only to the extent such disclosure is required or permitted pursuant to 45 CFR Parts 160 and 164. The Plan has implemented administrative, physical, and technical safeguards to reasonably and appropriately protect, and restrict access to and use of, electronic PHI, in accordance with Subpart C of 45 CFR Part 164. The applicable claims procedures under the Plan shall be used to resolve any issues of non-compliance by such individuals. The Employer will:

- not use or disclose PHI other than as permitted or required by the plan documents and permitted or required by law;
- reasonably and appropriately safeguard electronic PHI created, received, maintained, or transmitted to or by the it on behalf of the Plan, in accordance with Subpart C of 45 CFR Part 164;
- implement administrative, physical, and technical safeguards that reasonably and appropriately protect the confidentiality, integrity, and availability of the electronic PHI that it creates, receives, maintains, or transmits on behalf of the Plan;
- ensure that any agents including a subcontractors to whom it provides PHI received from the Plan agree to the same restrictions and conditions that apply to the Employer with respect to such information;
- not use or disclose PHI for employment-related actions and decisions or in connection with any other employee benefit plan of the Employer;
- report to the Plan any use or disclosure of the information that is inconsistent with the permitted uses or disclosures provided for of which it becomes aware;
- make available PHI in accordance with 45 CFR Section 164.524;
- make available PHI for amendment and incorporate any amendments to PHI in accordance with 45 CFR Section 164.526;
- make available the information required to provide an accounting of disclosures in accordance with 45 CFR Section 164.528;
- make its internal practices, books, and records relating to the use and disclosure of PHI received from the Plan available to the Secretary of Health and Human Services or his designee upon request for purposes of determining compliance with 45 CFR Section 164.504(f);
- if feasible, return or destroy all PHI received from the Plan that the Employer still maintains in any form and retain no copies of such information when no longer needed for the purposes for which disclosure was made, except that, if such return or destruction is not feasible, limit further uses and disclosures to those purposes that make the return or destruction of the information infeasible; and,
- ensure that the adequate separation required in paragraph (f)(2)(iii) of 45 CFR Section 164.504 is established.

For purposes of this Section, “PHI” is “Protected Health Information” as defined in 45 CFR Section 160.103, which means individually identifiable health information, except as provided in paragraph (2) of the definition of “Protected Health Information” in 45 CFR Section 160.103, that is transmitted by electronic media; maintained in electronic media; or transmitted or maintained in any other form or medium by a covered entity, as defined in 45 CFR Section 164.104.

SECTION XIII

MISCELLANEOUS PROVISIONS

- 13.01 INABILITY TO LOCATE PAYEE:** If the Plan Administrator is unable to make payment to any Participant or other person to whom a payment is due under the Plan because it cannot ascertain the identity or whereabouts of such Participant or other person after reasonable efforts have been made to identify or locate such person, then such payment and all subsequent payments otherwise due to such Participant or other person shall be forfeited following a reasonable time after the date any such payment first became due.

- 13.02 **FORMS AND PROOFS:** Each Participant or Participant's Beneficiary eligible to receive any benefit hereunder shall complete such forms and furnish such proofs, receipts, and releases as shall be required by the Administrator.
- 13.03 **NO GUARANTEE OF TAX CONSEQUENCES:** Neither the Administrator nor the Employer makes any commitment or guarantee that any amounts paid to or for the benefit of a Participant or a Dependent under the Plan will be excludable from the Participant's or Dependent's gross income for federal or state income tax purposes, or that any other federal or state tax treatment will apply to or be available to any Participant or Dependent.
- 13.04 **PLAN NOT CONTRACT OF EMPLOYMENT:** The Plan will not be deemed to constitute a contract of employment between the Employer and any Participant nor will the Plan be considered an inducement for the employment of any Participant or employee. Nothing contained in the Plan will be deemed to give any Participant or employee the right to be retained in the service of the Employer nor to interfere with the right of the Employer to discharge any Participant or employee at any time regardless of the effect such discharge may have upon that individual as a Participant in the Plan.
- 13.05 **NON-ASSIGNABILITY:** No benefit under the Plan shall be liable for any debt, liability, contract, engagement or tort of any Participant or his Beneficiary, nor be subject to charge, anticipation, sale, assignment, transfer, encumbrance, pledge, attachment, garnishment, execution or other voluntary or involuntary alienation or other legal or equitable process, nor transferability by operation of law.
- 13.06 **SEVERABILITY:** If any provision of the Plan will be held by a court of competent jurisdiction to be invalid or unenforceable, the remaining provisions hereof will continue to be fully effective.
- 13.07 **CONSTRUCTION:**
- a. Words used herein in the masculine or feminine gender shall be construed as the feminine or masculine gender, respectively where appropriate.
 - b. Words used herein in the singular or plural shall be construed as the plural or singular, respectively, where appropriate.
- 13.08 **NONDISCRIMINATION:** In accordance with Code Section 125(b)(1), (2), and (3), this Plan is intended not to discriminate in favor of Highly Compensated Participants (as defined in Code Section 125(e)(1)) as to contributions and benefits nor to provide more than 25% of all qualified benefits to Key Employees. If, in the judgment of the Administrator, more than 25% of the total nontaxable benefits are provided to Key Employees, or the Plan discriminates in any other manner (or is at risk of possible discrimination), then, notwithstanding any other provision contained herein to the contrary, and, in accordance with the applicable provisions of the Code, the Administrator shall, after written notification to affected Participants, reduce or adjust such contributions and benefits under the Plan as shall be necessary to insure that, in the judgment of the Administrator, the Plan shall not be discriminatory.
- 13.09 **ERISA.** The Plan shall be construed, enforced, and administered and the validity determined in accordance with the applicable provisions of the Employee Retirement Income Security Act of 1974 (as amended), the Internal Revenue Code of 1986 (as amended), and the laws of the State indicated in the Adoption Agreement. Notwithstanding anything to the contrary herein, the provisions of ERISA will not apply to this Plan if the Plan is exempt from coverage under ERISA. Should any provisions be determined to be void, invalid, or unenforceable by any court of competent jurisdiction, the Plan will continue to operate, and for purposes of the jurisdiction of the court only will be deemed not to include the provision determined to be void.

THEREAFTER, THIS AGREEMENT SHALL AUTOMATICALLY RENEW FOR SUCCESSIVE 36 MONTH TERMS UNLESS EITHER PARTY GIVES WRITTEN NOTICE OF TERMINATION TO THE OTHER AT LEAST 60 DAYS BEFORE THE END OF THE THEN CURRENT TERM. PAYMENT. Customer shall pay Company for the services and equipment furnished by Company at the rates provided in this Agreement. Customer shall pay all taxes, fees and other governmental charges assessed against or passed through Company (other than income or real property taxes). Customer shall pay such fees as the Company may impose from time to time by notice to Customer (including, by way of example only, late payment fees, administrative fees, environmental fees), with Company to determine the amounts of such fees in its discretion up to the maximum amount allowed by Applicable Law. Without limiting the foregoing, Customer shall pay Company: (a) a fee of \$50 (which Company may increase from time to time by notice to Customer) for each check submitted by Customer that is an insufficient funds check or is returned or dishonored; and (b) fuel/environmental recovery fees in the amount shown on each of Company's invoices, which amount Company may increase or decrease from time to time by showing the amount on the invoice. Customer shall pay Company within 20 days after the date of Company's invoice. At any time after Company becomes concerned about Customer's creditworthiness or after Customer has made any late payment, Company may request, and if requested Customer shall pay, a deposit in an amount equal to one month's charges under this Agreement.

RATE ADJUSTMENTS. Company may, from time to time by notice to Customer, increase the rates provided in this Agreement to adjust for any increase in: (a) disposal costs; (b) transportation costs due to a change in location of Customer's disposal or recycling facility used by Company; (c) the Consumer Price Index for All Urban Consumers (Water, Sewer and Trash Collection Services), U.S. City Average; (d) the average weight per cubic yard of Customer's Waste Materials above the number of pounds per cubic yard upon which the rates provided in this Agreement are based as indicated on the cover page of this Agreement; (e) recycling sorting, processing and related costs; (f) costs related to Customer's failure to separate Recyclable Materials from other Waste Materials, the contamination of the Recyclable Materials, or other decreases in the value of the Recyclable Materials; or (g) Company's costs due to changes in Applicable Laws. Company may increase rates for reasons other than those set forth above with Customer's consent, which may be evidenced verbally, in writing or by the parties' actions and practices.

SERVICE CHANGES. The parties may change the type, size or amount of equipment, the type or frequency of service, and correspondingly the rates by agreement of the parties, which may be evidenced verbally, in writing or by the parties' actions and practices. This Agreement shall apply to any change of location of Customer within the area in which Company provides collection and disposal services.

RECYCLABLE MATERIALS. This section applies in the event Company has expressly agreed to remove and transport Recyclable Materials (material that Company determines can be recycled typically including, without limitation, aluminum cans (UBC - Used Beverage Containers), cardboard (free of wax), ferrous metal cans, mixed office paper, newspaper and plastics containers) to a material recovery facility, recycling center or similar facility. Customer agrees that Company in its sole discretion may determine any single load is contaminated and may refuse to collect it or may charge Customer for any additional costs, including (but not limited to) sorting, processing, transportation and disposal costs. Customer shall comply with all Applicable Laws regarding the separation of solid waste from Recyclable Materials and use of its best efforts to not place items in the container that may result in the decrease in the value of Recyclable Materials or make the Recyclable Materials unsuitable for recycling.

RESPONSIBILITY FOR EQUIPMENT; ACCESS. Any equipment Company furnishes shall remain Company's property. Customer shall be liable for all loss or damage to such equipment (except for normal wear and tear and for loss or damage resulting from Company's handling of the equipment). Customer shall use the equipment only for its proper and intended purpose and shall not overload (by weight or volume), move or alter the equipment. **CUSTOMER SHALL INDEMNIFY, DEFEND AND HOLD HARMLESS COMPANY FROM AND AGAINST ALL LOSSES ARISING FROM ANY INJURY OR DEATH TO PERSONS OR LOSS OR DAMAGE TO PROPERTY (INCLUDING TO EQUIPMENT) ARISING OUT OF CUSTOMER'S USE, OPERATION OR POSSESSION OF THE EQUIPMENT.** Customer shall provide safe, unobstructed access to the equipment on the scheduled collection day. Company may charge an additional fee for any additional collection service required by Customer's failure to provide access.

DAMAGE TO PAVEMENT. Company shall not be responsible for any damages to Customer's pavement, curbing or other driving surfaces resulting from Company's providing service at Customer's location.

SUSPENSION. If any amount due from Customer is not paid within 60 days after the date of Company's invoice, Company may, without notice and without terminating this Agreement, suspend collecting and disposing of Waste Materials until Customer has paid such amount to Company. If Company suspends service, Customer shall pay Company a service interruption fee in an amount determined by Company in its discretion up to the maximum amount allowed by Applicable Law.

TERMINATION. In addition to its above suspension rights, Company may terminate this Agreement immediately by written notice to Customer if (a) any of the information contained in any credit application submitted to Company in connection with this Agreement is untrue or (b) Customer breaches this Agreement and fails to cure such breach within 10 days after Company gives Customer written notice of the breach. Company's failure to suspend service or terminate this Agreement when Customer fails to timely pay or otherwise breaches this Agreement shall not constitute a waiver of Company's right to suspend service or terminate this Agreement for any future failure to pay or other breach.

PAYMENT UPON TERMINATION. If Customer terminates this Agreement before its expiration other than as a result of a breach by Company, or if Company terminates this Agreement as a result of a breach by Customer (including nonpayment), Customer shall pay Company an amount equal to the most recent month's monthly charges multiplied by the lesser of (a) six months or (b) the number of months remaining in the term. Customer acknowledges that in the event of such a termination, actual damages to Company would be uncertain and difficult to ascertain, such amount is the best, reasonable and objective estimate of the actual damages to Company, such amount does not constitute a penalty, and such amount is reasonable under the circumstances. Any amount payable under this paragraph shall be in addition to amounts already owing under this Agreement.

ASSIGNMENT. Customer shall not assign this Agreement without Company's prior written consent, which Company shall not unreasonably withhold. Company may assign this Agreement without Customer's consent.

EXCUSED PERFORMANCE. Except for Customer's obligation to pay amounts due to Company, any failure or delay in performance due to contingencies beyond a party's reasonable control, including strikes, riots, terrorist acts, compliance with Applicable Laws or governmental orders, fires and acts of God, shall not constitute a breach of this Agreement.

ATTORNEYS' FEES. If any litigation is commenced under this Agreement, the successful party shall be entitled to such other relief as the court may award, its reasonable attorneys' fees, expert witness fees, litigation related expenses, and court or other costs incurred in such litigation or proceeding.

MISCELLANEOUS. If service to Customer includes Container Refresh, Customer is limited to requesting one exchange of each participating container every twelve months of paid enrollment; any additional exchange is subject to Company's standard container exchange fee. Customer agrees that during any enrollment year in which Customer receives an exchange under the program, any service change request by Customer to cancel Container Refresh will not be effective until Customer completes payment for twelve (12) consecutive months of enrollment in the program. Company reserves the right, in its sole discretion, to suspend or cancel the Container Refresh program. This Agreement sets forth the entire agreement of the parties and supersedes all prior agreements, whether written or oral, that exist between the parties regarding the subject matter of this Agreement. Company shall have no confidentiality obligation with respect to any Waste Materials. This Agreement shall be binding upon and inure solely to the benefit of the parties and their permitted assigns. If any provision of this Agreement shall be invalid, illegal or unenforceable, it shall be modified so as to be valid, legal and enforceable but so as most nearly to retain the intent of the parties. If such modification is not possible, such provision shall be severed from this Agreement. In either case, the validity, legality, and enforceability of the remaining provisions of this Agreement shall not in any way be affected thereby. Customer and Company agree that electronic signatures are valid and effective, and that an electronically stored copy of this Agreement constitutes proof of the signature and content of this Agreement, as though it were an original.

TERMS AND CONDITIONS

SERVICES. Customer grants to Company the exclusive right to collect, transport, and dispose of or recycle all of Customer's non-hazardous solid waste materials (including Recyclable Materials) (collectively, "Waste Materials"), and Company agrees to furnish such services as permitted by Applicable Laws.

TERM. THE INITIAL TERM OF THIS AGREEMENT SHALL START ON THE DATE ON WHICH SERVICE UNDER THIS AGREEMENT COMMENCES AND CONTINUE FOR 36 MONTHS. THEREAFTER, THIS AGREEMENT SHALL AUTOMATICALLY RENEW FOR SUCCESSIVE 36 MONTH TERMS UNLESS EITHER PARTY GIVES WRITTEN NOTICE OF TERMINATION TO THE OTHER AT LEAST 60 DAYS BEFORE THE END OF THE THEN CURRENT TERM. ANY NOTICE OF TERMINATION UNDER THIS AGREEMENT BY CUSTOMER SHALL BE VOID UNLESS SENT VIA CERTIFIED MAIL, RETURN RECEIPT REQUESTED, AND ACTUALLY RECEIVED BY COMPANY.

WASTE MATERIALS. The Waste Materials shall not contain any hazardous materials, wastes or substances; toxic substances, wastes or pollutants; contaminants; pollutants; infectious wastes; medical wastes; or radioactive wastes (collectively, "Excluded Waste"), each as defined by applicable federal, state or local laws or regulations (collectively, "Excluded Waste").

PAYMENT. Customer shall pay Company for the services and equipment furnished by Company at the rates provided in this Agreement. Customer shall pay all taxes, fees and other governmental charges assessed against or passed through Company (other than income or real property taxes). Customer shall pay such fees as the Company may impose from time to time by notice to Customer (including, by way of example only, late payment fees, administrative fees, environmental fees), with Company to determine the amounts of such fees in its discretion up to the maximum amount allowed by Applicable Law. Without limiting the foregoing, Customer shall pay Company: (a) a fee of \$50 (which Company may increase from time to time by notice to Customer) for each check submitted by Customer that is an insufficient funds check or is returned or dishonored; and (b) fuel/environmental recovery fees in the amount shown on each of Company invoices, which amount Company may increase or decrease from time to time by showing the amount on the invoice. Customer shall pay Company within 20 days after the date of Company's invoice. At any time after Company becomes concerned about Customer's creditworthiness or after Customer has made any late payment, Company may request, and if requested Customer shall pay, a deposit in an amount equal to one month's charges under this Agreement.

RATE ADJUSTMENTS. Company may, from time to time by notice to Customer, increase the rates provided in this Agreement to adjust for any increase in: (a) disposal costs; (b) transportation costs due to a change in location of Customer's disposal or recycling facility used by Company; (c) the Consumer Price Index for All Urban Consumers (Water, Sewer and Trash Collection Services), U.S. City Average; (d) the average weight per cubic yard of Customer's Waste Materials above the number of pounds per cubic yard upon which the rates provided in this Agreement are based as indicated on the cover page of this Agreement; (e) recycling sorting, processing and related costs; (f) costs related to Customer's failure to separate Recyclable Materials from other Waste Materials, the contamination of the Recyclable Materials, or other decreases in the value of the Recyclable Materials; or (g) Company's costs due to changes in Applicable Laws. Company may increase rates for reasons other than those set forth above with Customer's consent, which may be evidenced verbally, in writing or by the parties' actions and practices.

SERVICE CHANGES. The parties may change the type, size or amount of equipment, the type or frequency of service, and correspondingly the rates by agreement of the parties, which may be evidenced verbally, in writing or by the parties' actions and practices. This Agreement shall apply to any change of location of Customer within the area in which Company provides collection and disposal services.

RECYCLABLE MATERIALS. This section applies in the event Company has expressly agreed to remove and transport Recyclable Materials (material that Company determines can be recycled typically including, without limitation, aluminum cans (UBC - Used Beverage Containers), cardboard (free of wax), ferrous metal cans, mixed office paper, newspaper and plastics containers) to a material recovery facility, recycling center or similar facility. Customer agrees Company in its sole discretion may determine any single load is contaminated and may refuse to collect it or may charge Customer for any additional costs, including (but not limited to) sorting, processing, transportation and disposal costs. Customer shall comply with all Applicable Laws regarding the separation of solid waste from Recyclable Materials and use of its best efforts to not place items in the container that may result in the decrease in the value of Recyclable Materials or make the Recyclable Materials unsuitable for recycling.

RESPONSIBILITY FOR EQUIPMENT; ACCESS. Any equipment Company furnishes shall remain Company's property. Customer shall be liable for all loss or damage to such equipment (except for normal wear and tear and for loss damage resulting from Company's handling of the equipment). Customer shall use the equipment only for its proper and intended purpose and shall not overload (by weight or volume), move or alter the equipment. **CUSTOMER SHALL INDEMNIFY, DEFEND AND HOLD HARMLESS COMPANY FROM AND AGAINST ALL LOSSES ARISING FROM ANY INJURY OR DEATH TO PERSONS OR LOSS OR DAMAGE TO PROPERTY (INCLUDING THE EQUIPMENT) ARISING OUT OF CUSTOMER'S USE, OPERATION OR POSSESSION OF THE EQUIPMENT.** Customer shall provide safe, unobstructed access to the equipment on the scheduled collection day. Company may charge an additional fee for any additional collection service required by Customer's failure to provide access.

DAMAGE TO PAVEMENT. Company shall not be responsible for any damages to Customer's pavement, curbing or other driving surfaces resulting from Company's providing service at Customer's location.

SUSPENSION. If any amount due from Customer is not paid within 60 days after the date of Company's invoice, Company may, without notice and without terminating this Agreement, suspend collecting and disposing of Waste Materials until Customer has paid such amount to Company. If Company suspends service, Customer shall pay Company a service interruption fee in an amount determined by Company in its discretion up to the maximum amount allowed by Applicable Law.

TERMINATION. In addition to its above suspension rights, Company may terminate this Agreement immediately by written notice to Customer if (a) any of the information contained in any credit application submitted to Company in connection with this Agreement is untrue or (b) Customer breaches this Agreement and fails to cure such breach within 10 days after Company gives Customer written notice of the breach. Company's failure to suspend service or terminate Agreement when Customer fails to timely pay or otherwise breaches this Agreement shall not constitute a waiver of Company's right to suspend service or terminate this Agreement for any future failure to pay or other breach.

PAYMENT UPON TERMINATION. If Customer terminates this Agreement before its expiration other than as a result of a breach by Company, or if Company terminates this Agreement as a result of a breach by Customer (including nonpayment), Customer shall pay Company an amount equal to the most recent month's monthly charges multiplied by the lesser of (a) six months or (b) the number of months remaining in the term. Customer acknowledges that in the event such a termination, actual damages to Company would be uncertain and difficult to ascertain, such amount is the best, reasonable and objective estimate of the actual damages to Company, such amount does not constitute a penalty, and such amount is reasonable under the circumstances. Any amount payable under this paragraph shall be in addition to amounts already owing under this Agreement.

ASSIGNMENT. Customer shall not assign this Agreement without Company's prior written consent, which Company shall not unreasonably withhold. Company may assign this Agreement without Customer's consent.

EXCUSED PERFORMANCE. Except for Customer's obligation to pay amounts due to Company, any failure or delay in performance due to contingencies beyond a party's reasonable control, including strikes, riots, terrorist acts, compliance with Applicable Laws or governmental orders, fires and acts of God, shall not constitute a breach of this Agreement.

ATTORNEYS' FEES. If any litigation is commenced under this Agreement, the successful party shall be entitled to recover, in addition to such other relief as the court may award, its reasonable attorneys' fees, expert witness fees, litigation related expenses, and court or other costs incurred in such litigation or proceeding.

MISCELLANEOUS. If service to Customer includes Container Refresh, Customer is limited to requesting one exchange of each participating container every twelve months of paid enrollment; any additional exchange is subject to Company's standard container exchange fee. Customer agrees that during any enrollment year in which Customer receives an exchange under the program, any service change request by Customer to cancel Container Refresh will not be effective until Customer completes payment for twelve (12) consecutive months of enrollment in the program. Company reserves the right, in its sole discretion, to suspend or cancel the Container Refresh program. This Agreement sets forth the entire agreement of the parties and supersedes all prior agreements, whether written or oral, that exist between the parties regarding the subject matter of this Agreement. Company shall have no confidentiality obligation with respect to any Waste Materials. This Agreement shall be binding upon and inure solely to the benefit of the parties and their permitted assigns. If any provision of this Agreement shall be invalid, illegal or unenforceable, it shall be modified so as to be valid, legal and enforceable but so as most nearly to retain the intent of the parties. If such modification is not possible, such provision shall be severed from this Agreement. In either case, the validity, legality, and enforceability of the remaining provisions of this Agreement shall not in any way be affected thereby. Customer and Company agree that electronic signatures are valid and effective, and that an electronically stored copy of this Agreement constitutes proof of the signature and content of this Agreement, as though it were an original.

1. GPD will provide a topographic survey and partial boundary survey for the proposed Bus Garage (area in yellow in Exhibit A below).

Underground utilities will be located from Ohio 811 contacts, field reconnaissance and reported utility locations by the Owner. Be advised that private property is not covered by Ohio 811 contracts and their service will not field locate interior utility routing, therefore some buried utilities may not be discovered.

Exclusions: creation of any easements or plats, recording of any documents.

Fee for the Survey.....\$ 4,100.00 (Four Thousand One Hundred)

The survey will be delivered within four weeks from authorization to proceed.

EXHIBIT A

Scope Language

Within the defined approximately three-acre Project Limits (limits), GPD will provide efforts to coordinate with the states One Call service, perform blind-sweeps to designate/mark underground utilities (utilities). Search for underground storage tanks and appurtenances specifically excluded from these efforts.

Prior to our field efforts, GPD request copies of all existing site/construction plans and other information concerning existing utilities within the project limits, which the client may possess.

Recognizing the differences and limitations between One Call systems, mapping, utility locating equipment, and excavation, this scope excludes efforts to locate all potential manmade or natural occurring underground objects within the limits.

Rather it is a cursory examination providing locations indicative of utilities, which occur when our equipment crosses over and/or detects it. GPD under no circumstances is liable for damage to any utility or underground objects encountered by excavations. These efforts are in conjunction and accordance with our "Utility Designation Terms, Limitations, & Conditions".

PROJECT LIMITS

Fee = \$1,550

Utility Designation Terms, Limitations, & Conditions

Glaus, Pyle, Schomer, Burns and Dehaven, Inc. dba GPD Group ("GPD") shall perform the services outlined in the proposal attached to this agreement, or any other performance rendered by GPD, (collectively referred to as the "Work") in accordance with the following Terms and Conditions for the party identified as Client ("Client"):

TERMS

Standard of Care: At the time of proposal acceptance, performance of GPD's services are in a manner consistent with the care and skill ordinarily used by members of the same profession practicing under similar circumstances at the same time in the same location according to industry standards. Machine and equipment performance shall be considered industry standard in quality, maintenance and performance, which includes the relative limitations of each (hereafter referred to as the "Standards").

Definitions:

EM – Electromagnetic Pipe & Cable Locator.

GPR – Ground-Penetrating Radar.

Equipment – plural or singular reference to the EM & GPR tools we use.

Signal Transmission – The ability of a conductive material to convey an electromagnetic signal along its path.

Tracer Wire – Copper wire typically enclosed in a plastic casing, used to carry the electromagnetic signal along non-ferrous type materials i.e. plastic pipes.

Blind-Sweep – Search for unknown utility facilities.

Undetectable Utility Facilities – Utility facilities not detectable by our equipment, or because site conditions limit the ability of our equipment to distinctly define the location of the target utility.

Undocumented Utility Facilities – Underground utility facilities discovered after our search is completed, or discovered during earth penetration activities.

AOI – Area of Interest.

Known Utility Facilities – Facilities within the AOI, listed on the State's One Call Underground Utilities Protection Law responses. In addition, when visible above ground utility appurtenances are located within the AOI, indicative of potential underground facilities.

Unknown Utility Facilities – When no records are provided to or known to exist by GPD, GPD/Client/Owner has no knowledge of the existence of underground public or private utilities within the AOI; Client/Owner has knowledge that underground utilities exist within the AOI, but no knowledge of the location of underground public or private utilities. In addition, facilities discovered within the AOI after completion of our work described in the scope of services and not listed on the State's One Call Underground Utilities Protection Law responses.

Abandoned Utilities – Those utilities described as abandoned in place by the facility owner. Abandoned utilities also considered unknown utility facilities.

Public Utility Facilities – Utilities considered public facilities if they serve multiple clients who purchase the power or service.

Private Utility Facilities – Utilities considered private that serve the owner of the utility only.

Services – Private utility lines that serve individual clients from Public Utility Facilities, that connect to the main lines.

Unbonding – Removal of common ground for grounding grids, cathodic protection, etc.

Signal Transmission Types:

Direct Connect– Transmits a signal directly onto a "targeted" utility line by physically connecting designation equipment to a conductive line. Providing the best opportunity to designate accurately the target utility.

Inductive – Provides opportunity to designate utilities from the surface, but results in a higher chance to result in "bleed-over" (see below).

Passive – Provides opportunities to designate certain utilities under certain conditions, but provides less accuracy than direct connect signal transmission.

Excavation or Earth Penetration – means the use of hand tools, powered equipment, or explosives to move earth, rock, or other materials in order to penetrate, bore, or drill into the earth, or to demolish any structure whether or not the intention is that the demolition will disturb the earth.

Reliability Quality (RQ) – When provided in mapping, these levels indicate the source of the location for underground facilities:

- RQ1 – Our equipment physically designated the target underground utility.
- RQ2 – Utility located by mapping provided by others, or markings provided by One Call coordination or by others.

Disclaimer: GPD makes efforts to provide dependable utility locating services to its clients. Due to the complex nature of locating underground facilities, for earth-penetration purposes, these locations and other information provided to the client is not an intended use, unless specifically describe in the scope of services as intended for earth penetration.

Basing earth-penetrations on these efforts are the full responsibility of the person or company performing that work. GPD under no circumstances is liable for damage to underground objects encountered by such earth-penetrations. Reliance on this effort does not relieve the excavator from following all applicable utility damage prevention statutes, policies, and/or industry standard safe excavation procedures. When earth penetration activities occur, GPD strongly advises the contractor to use Hydro-Vacuum Excavation methods for removal of soil and other materials.

GPD will not guarantee the longevity of our utility markings because of activities on site or weather that may destroy, or otherwise alter the markings placed on the ground. Our marking of utilities existing within the project limits is limited to the date of our fieldwork, utilities installed or modified after that date are not marked or shown.

LIMITATIONS

There are many factors and conditions, which limit the ability of our equipment and processes to positively identify and designate underground anomalies and utility facilities. These factors and conditions directly affect the thoroughness of the investigation and performance of our equipment to isolate a target utility.

The following includes, but is not limited to, factors that limit the performance of all utility locations:

- **Weather, Site, and Soil Conditions** – Adverse conditions, tall vegetation, sites with fill or prior construction activities, soil types and moisture, site equipment or vehicles, etc. can adversely affect the ability of our equipment.
- **Signal Transmission** – Signal transmission on the target utility depends upon the material, composition, condition, conductivity, existence of shielding, prior repairs, etc. Poor signal transmissions can degrade or eliminate the ability of EM equipment to induce and detect the magnetic fields created by our equipment. Degraded or eliminated signals will affect our ability to designate the target underground facilities.
- **Congested Utility Areas** – Areas with multiple utilities in close proximity to one another or above/below ground pipe networks (horizontally or vertically); decrease the reliability and accuracy of our equipment. This decrease may lead to lines that are not traceable or discoverable.
- **Bleed-over** – Multiple utilities in close proximity has the potential for the signal transmission on a target utility, to inadvertently transfer, or “jump, to an adjacent utility. This produces false readings on the equipment and the inability of marking the target utilities location.
- **Bonded Lines** – Multiple buried utilities oftentimes share a common ground. EM locating methods use ground wires to transmit direct connection signals to trace the location of the target utility. Upon request, Client or Owner will de-energize if necessary and unbond the common grounding of lines. If access to the common utility ground and unbonding the multiple facilities is not possible, reliable designation of the target facility may not be possible. GPD shall have no liability attempting to locate bonded utility facilities.
- **Tracer Wires** – May or may not be directly touching, or wrapped around the actual utility facility. Therefore, when using these to locate the facility, the location is the tracer wire and not necessarily the target utility.
- **Depth of Utility** – Depth measurements reported by our equipment and provided to the client are approximate readings at best. When provided, any excavation over utilities must adhere to industry standards for safe digging to expose underground utilities. The only method of accurately determining the depth of an underground utility is exposure of the utility via test holing, or other similar means of excavation.
- **Blind-Sweeps** – Significantly reduces the effectiveness of locating utilities underground and greatly increases the potential for undocumented utility facilities, putting at risk the owner for changes to planned designs. In blind-sweep situations, GPD shall have no liability for undocumented utility facilities.

CONDITIONS

Underground Utility Information - When applicable, Client shall make available all plans, drawings, or other documentation, which relate to the Work in addition to any other information, which one should consider as it relates to the Work. In the event that new, modified or changed information becomes available, Client shall inform and provide GPD of such immediately. Client acknowledges that GPD shall regard all Client information as reliable and accurate, and hereby warrants such. Client agrees that GPD may assume that all plans, designs, structures and specifications related to the Work have been properly designed in accordance with the highest standard of care and are adequate for all purposes other than specifically addressed by the Work.

Personnel with Project Site Knowledge - When applicable, Client shall make available, at agreed upon times, persons with knowledge of the project site, buildings, and locations of above ground features affecting the AOI. GPD and Client agree that information provided by personnel with project site knowledge is not a reliant authoritative source for information of underground facilities, as such, without GPD independent verification, and limited to the extent actually verified; GPD shall not be responsible for information of others. Regardless of GPD (in)action, GPD shall not be responsible for the information of others.

Mapping Provided by Third Parties - Mapping supplied by others and relied upon to depict the location, size, material, and status (active/abandoned) of the utility is solely the responsibility of the third party for accuracy and the information contained therein. GPD and Client agree that the information provided by third parties is not a reliant authoritative source for information of underground facilities, as such, without GPD independent verification, and limited to the extent actually verified; GPD shall not be responsible for information of others. Regardless of GPD (in)action, GPD shall not be responsible for the work or information of others.

Access: Accurately tracing underground utility facilities often requires entry to buildings and utility structures. Our staff will not enter into confined spaces, unless specifically included in the scope of services. Entry/opening into electric related structures/boxes under no circumstances will occur.

Access to structures is not necessarily required to trace a utility. However, inaccessibility will limit the thoroughness and reliability of the investigation.

Client will provide our locators full and complete access to the property, site, or facility, at agreed upon times. For complex sites and specific AOI's, GPD still requires complete and full access to the entire facility.

Access and plumbing/cleanout entry for lateral locations out of existing buildings is required for these types of locations. GPD will not move any obstruction or material that may cover cleanouts or access locations. GPD will apply minimal effort to remove access covers or drains without damaging them, if unable to remove the cover by this effort; GPD will not be able to obtain access. GPD will not remove toilets or other plumbing features to obtain access. At the client's option, they can provide removal of these features obtaining access for GPD.

Unknown Site Conditions - GPD shall have no responsibility of existing, hidden or unknown site conditions and have no responsibility for the discovery, presence, handling, removal, disposal of hazardous materials of any form.

Abandoned Utilities - Client shall verify abandonment with facility owners prior to commencement of work. GPD is not responsible for the verification of this information.

Public Utility Facilities - Sometimes these facilities are marked through the States One Call system. If placed by that process, GPD will verify their marks to ensure dependability and agreement. When their marks and our locations differ by more than 18 inches GPD will, if included in the scope, locate by field survey efforts the locations of both marks.

Private Utility Facilities - Requirements to mark these facilities are not under the jurisdiction of States One Call systems. GPD will, if included in the scope and in the AOI, make efforts to mark these facilities when observed by visible aboveground appurtenances.

**Re: Proposal - Subsurface Exploration
Clearview Bus Garage
4700 Broadway Avenue
Lorain, Lorain County, Ohio
Geo-Sci Proposal No. G390106**

Dear Mr. King:

Pursuant to your request for proposal dated September 30, 2019, Geo-Sci is pleased to offer this proposal to provide a subsurface exploration for the proposed Clearview Bus Garage project located at 4700 Broadway Avenue in Lorain, Lorain County, Ohio, as shown in the aerial photograph below:

Figure 1. Aerial Photograph

Project Description

Based upon the information provided, the project consists of a one-story, slab-on-grade pre-engineered metal structure with an office component on the eastern end. It will be approximately 14,000 sq. ft. in extent (90' x 159'). It is our understanding that the site is accessible to a truck mounted drill rig. Geo-Sci has been asked to provide this quotation to perform soil investigation to determine the type of soil, suitability of development, and geotechnical parameters.

Scope of Work – Geotechnical

The Scope of Work included herein is in accordance with your request.

Field Investigation / Drilling

Based upon the information provided, it is proposed to drill and sample a total of four (4) test borings at the proposed garage building footprint to approximate depths ranging from 15 to 20 feet each, below the existing surface grade. The test borings shall be terminated at the indicated depths or refusal, whichever is encountered first. Drilling locations will be marked in field by "Geo-Sci" and/or "GPD Group" personnel.

Groundwater levels shall be noted during and upon completion of the drilling operations. Drilling, sampling, and standard penetration tests shall be conducted in accordance with applicable ASTM standards. Geo-Sci personnel shall notify the Ohio Utilities Protection Service and the utility companies whose names are provided to us prior to commencing the drilling operations.

Laboratory Testing

The samples collected shall be transported to our laboratory and selected samples shall be tested as follows:

- Visual Classification in accordance with the Unified Soil Classification System;
- Moisture Content;
- Hydrometer Analysis;
- Atterberg Limits (Liquid Limit and Plastic Limit);
- Grain Size Analysis.

Report

A Geotechnical Report shall be prepared and shall include the following:

- Laboratory test results;
- Individual typed test boring logs and test boring location plan;
- Foundation design recommendations;
- Seismic site classification;
- Floor slab design parameters and pavement design parameters, including CBR recommendation; and
- Construction considerations including groundwater, compaction and site preparation recommendations.

The presence or absence of gases or chemical contamination will only consist of apparent observations during drilling and handling of samples. Odors will be noted, however, chemical analysis of the soil samples is beyond the scope of this proposal.

Costs

The Geotechnical Services as described above shall be provided for a lump sum cost of **\$2,800.00**. In the event additional borings or depths are needed due to subsurface conditions, while the rig is still on the site, it will be charged at the rate of **\$45.00 per foot only after authorization from the client**. This rate includes field, laboratory and engineering services.

Project Schedules

Geo-Sci can begin work within five (5) working days upon authorization. Generally, we can provide preliminary information during and soon after completion of the drilling operations. The final report will be issued within 28 days from authorization.

We trust that you will find the scope of work in this proposal in agreement with your requirements. Please inform us of your intentions so that we may plan our time accordingly. This proposal can be accepted by signing and returning a copy of the enclosed Terms and Conditions that form a part of this proposal or by issuing a purchase order or letter referencing this proposal.

We appreciate your consideration of our company for this project and look forward to being of service. Should you have any questions or if we may be of further assistance, please contact us at (440) 234-8985.

Sincerely,

Geo-Sci, Inc.

Re: Proposal for Hazardous Materials Assessment & Mgmt.:
Bus Garage at Clearview Schools
4700 Broadway Ave.
Lorain, OH 44052

Mr. King,

Below please find below the proposal that you requested for the above listed site.

Asbestos Survey

Once we receive your authorization to proceed, we will conduct an asbestos survey consistent with the NESHAP and the rules governing asbestos in the State of Ohio. All suspect regulated asbestos containing materials (RACM) found will be adequately sampled and submitted to an accredited lab for analysis by Polarized Light Microscopy (PLM). Price includes PLM sample analysis and Point Count analysis of samples that may return with low percentage asbestos. The work will be scheduled immediately upon receipt of the notice to proceed and the samples will be overnight shipped to the lab at the conclusion of the site work and the lab work will be placed on a standard 4 to 5-day lab turn around. Upon receipt of the lab data, we will process the survey report for the structure that will detail the type, location, condition and quantity of ACM found. The report will contain a summary of findings, laboratory report, the sample chain-of-custody, ACM summary table and a building site plan. The survey work will be conducted by John Pardee, President of Pardee Environmental, a licensed Asbestos Hazard Evaluation Specialist (ODOH Cert. #ES3201). This bid is submitted as a lump sum bid that includes all labor, equipment, materials, and analysis of the samples. The bid presumes any vermiculite found to be a Presumed Asbestos Containing Material (PACM) and reported as such unless sampling is requested by the client. Analysis for vermiculite is different and more costly than for all other building materials.

Hazardous Materials Assessment

As part of this effort, we will examine the structure and catalogue other hazardous materials that would be considered regulated and would need to be addressed prior to demolition. . These hazards may include but are not limited to compounds such as gas cylinders, herbicides and pesticides, batteries, regulated electronic wastes (E-wastes), mercury thermostats and other mercury-containing equipment, florescent lamps and ballasts and Freon-containing equipment such as air conditioners, refrigerators or dehumidifiers. All identified regulated materials will be catalogued and included in the project report.

Abatement Project Specs

We will provide abatement project specifications for bidding purposes. This spec package will be the technical specifications only as we assume the boilerplate and other project specific items will be the purview of the GPD Group.

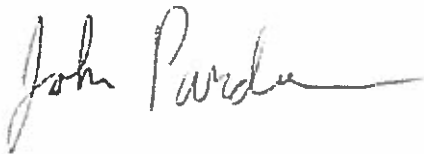

Abatement Project Oversight

We will provide abatement project oversight to ensure contractor compliance with the regulations, the specifications and the completeness of the abatement effort. An abatement project closeout report will be provided at the conclusion of this project.

SpyGlass Snapshot Audit Agreement

This agreement, effective as of the later of the dates of signature below ("Effective Date"), is between **Clearview Local Schools** ("Company"), and The SpyGlass Group, LLC, an Ohio limited liability company ("Auditor").

1. Primary Audit Services. Company is engaging Auditor as an independent contractor to analyze its primary telecommunications service accounts (Voice, Data, Internet, Cloud Services and Mobility/Cellular) to seek cost recovery, service elimination and cost reduction recommendations. Company will provide Auditor with the materials required to perform its analysis and Auditor will conduct a Kickoff meeting with Company to review the materials provided and introduce Auditor's personnel assigned to the project. Auditor will deliver the recommendations to Company at a Summary of Findings meeting, implement recommendations that Company elects for Auditor to implement, and deliver a complete telecommunications inventory to Company.

While Auditor is performing its analysis, Company will not make changes or perform internal cost reduction analysis with respect to provider accounts which Company has included within the scope of Auditor's review.

2. Fees. Company will pay Auditor the applicable fee set forth below ONLY for Auditor recommendations implemented within twelve (12) months of Auditor delivering the recommendation to Company:

- 50% of any "Cost Recovery", as defined below
- 12 times any "Service Elimination Savings", as defined below
- 12 times any "Cost Reduction Savings", as defined below

"Cost Recovery" is any refund, credit or compensation received by Company relating to past services or charges.

"Service Elimination Savings" is any monthly cost reduction received by Company relating to cancellation of any service, including monthly usage cost reduction (calculated as the average of the last 2 months of usage costs associated with the cancelled service).

"Cost Reduction Savings" is any monthly cost reduction received by Company relating to the modification, consolidation or negotiation of any service, account or contract, including post discount usage rate improvement (calculated as the (a) decrease in post discount per unit pricing realized by Company for any service, times (b) the average of Company's last two (2) months usage levels measured in such units for the modified service).

3. Invoicing and Payment. Fees for Cost Recovery are due as a one-time payment within 10 days of verification that Company has been issued the refund, credit or compensation resulting in such fees. Fees for Service Elimination Savings and Cost Reduction Savings are due as a one-time payment within 10 days of verification that the cancellation or other activity resulting in the Service Elimination Savings or Cost Reduction Savings has been completed. Auditor may issue separate invoices as different fees are earned.

4. Miscellaneous. This agreement is governed by the laws of the State of Ohio, without regard to principles of conflicts of law, and may be executed by facsimile and simultaneously in multiple counterparts. Company agrees that Auditor does not warranty the overall performance, Company satisfaction, or data accuracy of any telecommunications related carrier, provider, software manufacturer or vendor at any time whatsoever during or after the term of this agreement. Each person signing this agreement on behalf of a party represents that he or she has been duly authorized to sign this agreement and to bind the party on whose behalf this agreement is being signed by that signatory. AUDITOR SHALL NOT BE LIABLE TO THE COMPANY FOR INCIDENTAL, CONSEQUENTIAL, SPECIAL OR PUNITIVE DAMAGES, INCLUDING, WITHOUT LIMITATION, LOST PROFITS OR BUSINESS INTERRUPTION, WHETHER SUCH LIABILITY IS ASSERTED ON THE BASIS OF CONTRACT, TORT OR OTHERWISE, EVEN IF EITHER PARTY HAS BEEN WARNED OF THE POSSIBILITY OF ANY SUCH LOSS OR DAMAGE IN ADVANCE. IN ADDITION, IN NO EVENT SHALL AUDITOR'S LIABILITY TO COMPANY EXCEED THE FEES ACTUALLY PAID BY COMPANY TO AUDITOR.

IN WITNESS WHEREOF, the parties hereto have executed this agreement as of the Effective Date.

SPYGLASS EXECUTIVE SUMMARY

COMPANY OVERVIEW – THE SPYGLASS GROUP, LLC

- Specialized cost consulting firm focused on optimizing recurring telecommunications and network service billing (Voice, Data, Internet, Cloud Services, Data Center activity, and Mobility/Cellular).
- Totally vendor independent with no agency or distributor relationships with carriers.
- Organizations that engage SpyGlass typically have one or more of these concerns:
 - They desire cost savings and more transparency into the complex bills they receive.
 - They are interested in identifying the services they pay for but don't use.
 - They don't feel their carriers have their best fiscal interests in mind.
- Actively operating in all 50 states and Canada with more than 15,000+ clients

THE SPYGLASS PROCESS FOR YOUR ORGANIZATION

- SpyGlass' proprietary analytical process will identify opportunities in the following areas:
 - Recovery of past bill mistakes - billing inconsistent with contracts or tariffs
 - Elimination opportunities - usage analysis to uncover dormant services
 - Cost reduction opportunities – overall optimization of the cost center
 - Consolidation and volume leveraging
 - Geographic market analysis to streamline rate structures
 - Slamming and cramming identification
 - Fraud, tariff, and tax analysis
- Steps of the audit process
 - Kickoff to collect materials needed (2 months billing and Letter of Agency) and introduce project staff
 - Analysis completed at SpyGlass HQ and takes SpyGlass roughly four weeks to complete
 - Findings are presented to client along with account inventories
 - Client determines which recommendations it would like to implement
 - SpyGlass performs all implementation work
- Success based fees
 - If we don't find anything or you choose not to implement anything, you pay zero
 - Fees only pertain to the recommendations your organization selects
 - 50% of Cost Recovery (refunds or credits we are bringing back in the door)
 - 12 times any monthly service elimination and cost reduction savings, which ensures that your ROI will be realized within 12 months of the engagement.

WHY ORGANIZATIONS NEED SPYGLASS

- Organizations struggle to find these savings on their own because the carrier billing only provides about 25% of the data needed to control the cost center. SpyGlass can get the rest of the data
- Carrier billing statements are notoriously vague and difficult to understand
- Client staff is stretched thin and lack expertise to thoroughly conduct review internally
- Organizations cannot use their own providers to find these savings because providers aren't financially motivated to audit their own billing. This is taking money out of their own pockets. On the other hand, SpyGlass is only compensated if savings are found and implemented

OHIO AUDITOR OF STATE KEITH FABER

ANNOUNCEMENT

Revision to 467 Student Wellness and Success Fund

This fund is to account for state monies distributed in accordance with ORC section 3317.26, that are restricted for specific purposes related to student wellness including mental health services, services for homeless youth, services for child welfare involved youth, community liaisons, physical health care services, mentoring programs, family engagement and support services, city connects programming, professional development regarding the provision of trauma informed care, and professional development regarding cultural competence. This fund should be classified as a special revenue fund. This fund does not need Auditor of State approval to be established.

Fund 467 does not need included in the five-year forecast. Fiscal Year 2020 and Fiscal Year 2021 are the only years addressed in the budget bill. Due to the Student Wellness and Success

program being new, we cannot be certain how the funding will be handled in the future. Fiscal Year 2022, Fiscal Year 2023, and Fiscal Year 2024 should be evaluated to identify any costs associated with mandated programs or locally adopted programs that will continue after Fiscal Year 2020 and Fiscal Year 2021 funding has been expended. If the Auditor of State's Office is examining a forecast for purposes of fiscal distress, we will look for these continuing costs to be included in the forecast for Fiscal Year 2022, Fiscal Year 2023 and Fiscal Year 2024.

If you have any questions, please contact Local Government Services with the Auditor's office at 1-800-345-2519.
